THE HISTORY OF ABORIGINAL PEOPLE IN THE SYDNEY DISTRICT.

The Club recognizes the Wangai people that originally inhabited the country now known as Leichhardt Municipality. The history of Aboriginal people in the Sydney, Leichhardt area is, without doubt, a hidden one. What we today know as the Sydney Municipality was once the area inhabited by the Wangal band of the Dharug (Eora) language group.

The "Eora people" was the name given to coastal Aborigines around Sydney - Eora means "from this place" - local Aboriginal people used this word to describe to Europeans where they came from, and in time the term became used to define Aboriginal people themselves.

Wangal country was known as wanne and it originally extended from the suburbs of Balmain and Birchgrove in the east to Silverwater and Auburn in the west.

AFFILIATION WITH THE DISTRICT.

The Club "Iron Cove Tigers", name derives from the fact that the inlet that borders, Drummoyne, Five Dock, Rozelle, Haberfield & Balmain, which encapsulates the direction the Club wanted to be known for. Not Just Balmain District as our other incorporated name suggests. Balmain & District Tigers."

The Committee were determined to be known as Tigers for its affiliation to the area and the old Balmain Tigers Football Leagues Club.

ALEX COLE TRUNDLES IN

PRESIDENT'S REPORT.

Hello Tigers!

What a great second season we have had as a Club. We have retained our three team make up with two teams in the Inner West Harbour competition in B & C grade. We didn't win that many games, but made up for it in spirit.

We had one team our A grade play in the Churches Comp for the first time & although the boys (and they were mostly in their late teens & early 20s) did not fair well in a strong comp, they did not disgrace themselves. Many a game were close shaves.

As I indicated this is just the beginning of the Club & we can say we have had a great response to us starting up and following!

This season we started two U8 teams following on from the Junior Blasters of last season, Plus we had a great number in the latter this season as well. That can only fair well for us next season.

Again, our sponsors played an integral part of getting us off the ground. I would like to thank Joe (DSC), Adam (DSBA), Danny (Talbolt's) and the 3 Weeds for their support. The # weeds came good with an injection of funds at the end of the season that made our financial situation look rosy going into next season. Without them we wouldn't be a club!

The committee and I would like to thank you all for being part of our club, for those parents

and Kids that have joined, we look forward to many years with the Tigers. Again, being part of something special, and I hope you continue to join us on our exciting journey.

Go Tigers!

SECRETARY-OPERATIONS REPORT.

RESPECT-INCLUSION-COMMUNITY

The Junior Season.

I would like to start off with a thanks to those people who have contributed to our growth in Juniors over the past two seasons. It only fair well for our growth with juniors.

The club in its second season has continued with 3 senior teams a Junior Blaster set up of over 30 kids and 2 under eight Master Blaster teams.

Much fun was had by all the teams as they travelled around the Inner West, but their home ground was Russell park in Drummoyne & our Junior Blasters used Timbrell Park as their base.

The Seniors Season.

This season we fielded three teams again, but with one young side captained by Nicky Schatz, a young-gun who brought his team over from the old Balmain South Sydney Club to join us this season. The club threw them into the Churches First grade Comp to test their mettle and even though they did not do as well winning games, but they displayed courage under strong attack and played in the spirit of the game. They were Captained as well by Sam Katz & Baz Engelman.

As for our other teams, all I can say is, that irrespective of the losses and short of players during the games, they seemed to enjoy the season, especially our C grade team made up from a contingent form the Royal Australian Navy. A great bunch of blokes captained at times by the indomitable Scott Benstead, who filled in for Shane Pillay who began as our C grade Captain but due to work and family commitments was away for some of the season.

B grade team had a mixed season, captained on and off by Alex Saad, our President. Some good wins and some near misses, especially against the Briars team.

Waterfront Oval, Callan Park & Five Dock Oval.

As in the case of last season, our future in the district relies on the availability of grounds, especially turf grounds. They have been in scarce supply in the district.

Although for our B & C grades, the club has been fortunate to enjoy the use of Five Dock Park as our home ground this season. With the grandstand, giving a great view of proceedings and a view over the city, it's a great venue to play.

The Club has been able to secure a storage room at the oval to store our gear & operate a canteen from. This has been a fantastic development for us in cementing our place in the Inner West.

Waterfront in Callan Park has long been a home ground for our B grade team and the boys see it as their spiritual home. Unfortunately, they did not get to play there this season, but the A grade boys did and to much the enjoyment of our Opposition as well.

The use of the nets at Callan Park, Waterfront, was a boon for our players. The nets at Easton Park are not really suited for Senior practice so the move to the new nets was a blessing. This came about after much haggling with Council over our use of the ground and nets.

The Club now enjoys a new **Website and Facebook Page**, which has been most successful in broadcasting our Tigers brand to all who wish to participate. Thanks to Manesh Veetil & Clinton Thomas, both internet communication tools have worked their magic in promoting the Club during the season.

Finally, as I write, we are in the midst of a national & international crisis with the rise of COVID-19 epidemic. The virus is changing the landscape of sport & we are not really sure that we will have a competition to start next season. That season is scheduled to commence in mid-October. We are all anxious about the outcome of the pandemic and that all sport, not only Cricket will return over the next year.

Sponsorships.

As per last season, our Club is blessed with the assistance of funds from a couple of sponsors that continue came to support us.

Our major sponsor **Drummoyne Sailing Club** have been most obliging and for we reciprocated by utilising the services of the Club after every game by going back to enjoy the scenery and the food & drink on offer. We anticipate continuing this relationship next season.

Thanks also to **Talbots** for their continued support to the Club. Anytime you are thinking of renovating, give them a call.

Thanks also to **Debt Sale Brokers Australia** for their valued sponsorship. DSBA are there to give small, medium & large sized business the assurance they need in recovering their bad debts.

We have been holding our committee meetings at the **Three Weeds in Rozelle**, and having a place to meet that is not someone's home has a lot going for it. Thanks to the 3 Weeds for their sponsorship support.

Finally, but always a thanks to Kingsgrove Sports and Harry Solomon, who I have known for as long as I have been in Cricket Administration. Thanks Harry for your continued support.

Thanks to the committee for making it happen, Alex Saad, Clinton Thomas, Mark Waugh, Will Gardner & Luke Fife in assisting me when the going got tough. See you next season.

TERENCE KELLY.
Secretary.

U8 BLACK TIGERS

Back Row, L to R
Jamie Moss (Coach)
Front Row

The U8 Black Tigers had a good year of development in our cricket throughout 2019-20. The boys & Girls spent a lot of time working on our bowling and fielding, and the improvement was pretty consistent.

We had a couple of younger boys in the team, so we were physically outmatched on the odd occasion, but had a couple of stirring wins. We started to bat well in partnerships later in the year, and finished the year with a really good performance in our final game. The boys & girls played with great spirit, always encouraging each other.

In fact the girls could be said to have outshone the boys in performance with Georgia Lezes being an outstanding player of the team.

A great deal of thanks needs to go to Simon & Sonja Gibbs (team manager's) and Peter Kav (assistant coach) for their efforts throughout the year.

The U8 Orange Tigers might not have had the most number of wins but the team stuck together with passion and enthusiasm throughout the whole season. We dwarfed the competition in numbers, with quite often all 13 players turning out to games as well as large numbers at Friday training. Looking back to the first training session, knowledge of the game was limited and it took a few weeks before the team started to get its head around the rules and positions. By the end of the season the team was able to self-

mobilise on the pitch and self-manage through matches. During the season we also saw a significant decrease in wides and no balls, and increases in wickets being bowled, catches taken as well as backing up, fielders working together, batsman calling and working as a team rather than a loose confederation of individuals.

Compared to many teams we played, the Orange team seemed to have the greatest parent participation, with lots of people helping out at training and on match days both formally on the pitch as well as on the sideline. Parent support was passionate and loud and gratefully received. A special thanks is required for all parents but in particular, Coach Jay for his coaching, Jen, team management, Nick, Milind, Terry and Cameron for umpiring, Jeremy for sideline games and special mention for the master of the golden pencil and focussed scorer (for every game!), Justyn.

The most critical and nail biting part of the season was the parents versus children games at the end of training. I have never seen such enthusiasm, and that was just the parents. At the time of writing this we have survived without injury, despite some strong bowling from Milind, and it looks like the adults may have taken it with 1 innings to go. Other extra-curricular activities have included the Three Weeds and quite a few players watching the Women's Big Bash at Drummoyne Oval.

Lots of players are keen to get up and play next season and will form the basis of the future Iron Cove Tigers A Team, or even greater!

Sean Maguire
Manager

The Players

Alexander Stuart

Alex's bowling improved dramatically through the season and he is great at making calls and racking up runs. His helmet probably needs saving until next season.

Beau Gooden

Beau is an all-rounder and very competent bowler, but really comes to the fore when he has a bat in his hand adding significant runs to our bating totals.

Charlie Scholes

Charlie is a great all-rounder but his claim to fame has to be the 17 runs he scored against the U8 Tigers Blacks. He has also taught his diving skills to many of the other players.

Emily Short

Emily progressed hugely during the season and by the end was scoring some decent runs as well as taking the odd wicket. Emily also represented the team at the Australia v New Zealand Test at the SCG.

Finlay Thorogood-Cooper

Fin has been a great all round contributor contributing runs as well as providing solid fielding support in taking wickets.

Harry Parsons

Harry has been a strong contributor to the team, not only on the pitch but also explaining strategy and rules to other players. Apologies to Harry and Charlie as when

on the pitch, with caps on, it is impossible to tell them apart except from the colour of the soles of their trainers!

Jemma Hartley-Smith

Jemma comes from a great cricketing family and has maintained the tradition being a strong contributor to the team both in fielding and batting.

Karthi Prabhakaran

Karthi may not be our physically biggest player, but as soon as he bowls his first ball, the opposition look scared. Our pace bowler and overall great team player.

Maja Burnet

Maja was new to cricket but has really picked up the game, captaining games and scoring runs to add to the team total.

Nicholas Harper

Nicholas joined the team later in the season but picked up the game very quickly and became a key member of the team, contributing runs to our score.

Ridaan Kalamkar

Ridaan is an all-round star. His bowling might look unorthodox but its results are very effective and the speed of delivery scares even me!

Thomas Maguire

Thomas is an athletic all round player. His bowling is on target and hits the ball well, making good calls and racking up runs for the team.

Zachary Ang

Zach is another great all-rounder but has really excelled at bowling, taking three wickets against the Briars
