A group of people are seated at a table in a bright, modern restaurant or cafe. The scene is slightly faded to serve as a background for text. In the foreground, a woman with short blonde hair is looking down thoughtfully. To her right, a man with dark hair is resting his chin on his hand, also appearing thoughtful. Other people are visible in the background, seated at tables. The overall atmosphere is one of quiet reflection.

Some days it's just not your day. Today the PPL team all felt that. The best thing to do is draw a line in the sand, double down at training, and go again next weekend.

#WEAREIRONCOVE

What a bumper season we have had at Iron Cove Tigers !

PRESIDENT'S REPORT.

Hello Tigers!

Firstly I want to thank each and every one of you for being part of our historic first season! A lot of effort goes into starting a club from scratch and I couldn't be happier with what we've achieved so far. And this is just the beginning!

Our sponsors played an integral part of getting us off the ground. I would like to thank Joe (DSC), Adam (DSBA), Danny (Talbolt's) and the 3 Weeds for their support. Without them we wouldn't be a club!

And what a first season it was. Our first game was for a 20/20 pre-season trophy, which we won! Most of the team that day had only just met, yet came together to secure the victory. That's a testament of the club culture we're developing at the Tigers, which sits alongside our core values of Respect, Inclusion and Community.

So to each of you who made up the 25+ kids and three senior teams we fielded, the committee and I thank you for being part of our club, being part of something special, and I hope you continue to join us on our exciting journey.

Go Tigers!

IRON COVE TIGERS LAUNCH SEPTEMBER 2018 AT DRUMMOYNE SAILING CLUB.

SECRETARY-OPERATIONS REPORT.

The Club's Formation.

The club started out with disgruntled players from the Tim Creer side that played in Balmain South Sydney Club last season. All were keen to play on turf, but unfortunately we could not get a turf for love nor money, so we fell back to the local competition on Synthetics in the Inner West Harbour Association, Competition.

The new Club's major tenant was to be community-based and to represent the local district. The Committee wanted to emphasis three core values moving forward into the futue.

RESPECT-INCLUSION-COMMUNITY

As for its incorporation, our irascible Vice President, Clinton Thomas came up with the idea of calling the Club Iron Cove Tigers, due to the fact that the inlet that borders, Drummoyne, Five Dock, Rozelle, Haberfield & Balmain, which encapsulates the direction the Club wanted to be known for. Not Just Balmain District as our other incorporated name suggests. Balmain & District Tigers.

The new committee were determined to be known as Tigers for its affiliation to the area and the old Balmain Tigers Football Leagues Club.

The demise of the Five Dock Cricket club left a vacuum in that district and the new Club stepped in to fill those shoes. Our base being Five Dock Park as Waterfront Callan Park, was under renovation by the Inner West Council during the season.

This was a great decision as it centred the club in the District that our name implied.

So a new era had begun, with the new club representing a wide inner city district, not only for seniors but the future will hinge on the growth of our Juniors over the next few years.

The club in its first season has begun with 3 senior teams and a Junior Blaster team structure. Hopefully some of these youngsters will flow through into the under eight Master Blaster competition.

Sam Katz, Terry Kelly & Mathew Boyd, who ran our Junior Blasters at Drummoyne Oval & Balmain Rd. Oval, are to be congratulated for their efforts in developing this side of our club. Sam's efforts can be attributed to the possibility in our under 8's next season.

The Season.

Was a mixed bag due to the on off rain, with some of the teams missing out on games during the season. Not to mention that our gun A/B Grade No2 team, captained by Michael Craig, would have made finals if not for them having to forfeit a couple of times during the season, which in turn lost to many points. They for sure, were a shoe in for a finals berth, with great Batsmen, like Dan Farinelli, Michael Craig & part-timer, Josh La Spina.

As for our other teams, all I can say is, that irrespective of the losses and short of players during the games, they seemed to enjoy the season, especially our C grade team made up from a contingent from the Royal Australian Navy. A great bunch of blokes captained at times by the indomitable Scott Benstead, who filled in for Shane Pillay who began as our C grade Captain but due to work and family commitments was away for some of the season.

B grade team had a mixed season, captained by Alex Saad, who is our President. Our gun player "Nico" Andrew Nicolas for sort, was not up to form this season, so the batting did not fire. Although there were some cameos from Cameron Price.

Five Dock Oval & Waterfront Oval, Callan Park.

Essential to our future in the district is the availability of grounds, especially turf grounds. They have been in scarce supply in the district.

Waterfront in Callan Park has long been a home ground for our B grade team and the boys see it as their spiritual home. Unfortunately, with the renovations being done at the ground during the season 2018-19 by the Inner West Council, we were denied using it this season.

After much haggling with the Council and the local Soccer Club, (Balmain Football Club), we were able to finally have nets erected at the ground for the local community use. There was a grand opening last May for the ground and the Football club took centre stage, due to the renovations to the ground itself. The Mayor and other dignitaries attended, especially the now Opposition leader for the Federal Labour Party, Anthony Albanese.

With much agitation from Terry Kelly over the years and during the discussions with Council, we were able to win the day with the new nets and so Cricket utilised the day to set a marker for the new Club has having some ownership of the Oval going forward. An invitation from the Mayor cemented that relationship.

CNSW was also in attendance on the day, anointing the new nets as they contributed to the cost.

The Club now enjoys a new **Website and Facebook Page**, which has been most successful in broadcasting our Tigers brand to all who wish to participate. Thanks to Manesh Veetil & Clinton Thomas, both internet communication tools have worked their magic in promoting the Club during the season.

Sponsorships.

The season was blessed with the assistance of funds from a couple of sponsors that came on board with the new Club.

Our major sponsor **Drummoyne Sailing Club** have been most obliging and for we reciprocated by utilising the services of the Club after every game by going back to enjoy the scenery and the food & drink on offer. We anticipate continuing this relationship next season.

Thanks also to **Talbots** for their support to the new Club. Anytime you are thinking of renovating, give them a call.

Thanks also to **Debt Sale Brokers Australia** for their valued sponsorship. DSBA are there to give small, medium & large sized business the assurance they need in recovering their bad debts.

We have been holding our committee meetings at the **Three Weeds in Rozelle**, and having a place to meet that is not someone's home has a lot going for it. Thanks to the 3 Weeds for their sponsorship support.

Finally, but always a thanks to Kingsgrove Sports and Harry Solomon, who I have known for as long as I have been in Cricket Administration. Thanks Harry for your continued support.

Iron Cove Tigers Cricket Club, the community-based club established to represent the local community, is pleased to announce ISC will be the club's official clothing sponsor. ISC dress Cricket NSW, along with many NRL and AFL clubs. The Iron Cove Tigers jersey design will be released very soon!

Thanks to the committee for making it happen, Alex Saad, Clinton Thomas, Mark Waugh & Luke Fife in assisting me when the going got tough. See you next season.

TERENCE KELLY.
Secretary.
