

# IRON COVE & BALMAIN DISTRICTS TIGERS ANNUAL REPORT 2022-23

## **AFFILIATION WITH THE DISTRICT.**

Iron Cove's name was derived from the iron bark trees that dominated the District, when the first settlers encountered the area. It essentially encompasses the fact that the inlet that borders, Drummoyne, Five Dock, Rozelle, Haberfield & Balmain, which encapsulates the direction the Club wanted to be known.

The Club's name "Iron Cove Tigers", was chosen for its affiliation to the area and the old Balmain Tigers Football Leagues Club & the Balmain & District Cricket Club (Tigers), now Sydney CC. The Club also incorporates the Balmain District in its secondary name; Balmain & District Tigers.

The Committee were determined to be known as "Tigers" and be recognised as a Community based Club. The "Tigers" want to get back to the local area, support local businesses and create a true Club environment for Juniors and Seniors alike.

The Club will also focus on training and playing on local grounds in the Inner West. Developing Junior talent and providing a pathway to Senior Cricket.

The Club prides itself on its core values that are our motto, being;

### **RESPECT-INCLUSION-COMMUNITY.**

#### **THE DISTRICT ALSO HAS A LONG HISTORY WITH OUR FIRST NATIONS PEOPLE IN THE SYDNEY DISTRICT.**

The Club recognizes the Wangai people that originally inhabited the country now known as Leichhardt Municipality. The history of Aboriginal people in the Sydney, Leichhardt area is, without doubt, a hidden one. What we know today as the Sydney Municipality & Inner West Municipality, was once the area inhabited by the Wangal band of the Dharug (Eora) language group.

The "Eora people" was the name given to coastal Aborigines around Sydney - Eora means "from this place" - local Aboriginal people used this word to describe to Europeans where they came from, and in time the term became used to define Aboriginal people themselves. Wangal country was known as wanne and it originally extended from the suburbs of Balmain and Birchgrove in the east to Silverwater and Auburn in the west. We pay Respect to their forebears and those current peoples.

#### **MISSION STATEMENT.**

**The Club's overall mission is to provide a harmonious environment for a diverse group of people to come together in the Club's motto of;**

#### **RESPECT-INCLUSION-COMMUNITY.**

**TO ENCOURAGE THE GROWTH OF BOTH MEN & WOMEN IN A HEALTHY ACTIVITY CENTERED AROUND THE PLAYING OF CRICKET & ITS SOCIAL ASPECTS.**

**OUR CREED IS TO ACCEPT ALL COMMERS OF ALL RACES & OPINIONS TO PLAY IN THE SPIRIT OF GOOD SPORTSMANSHIP FOR BOTH MEN & WOMEN.**

#### **JUNIORS.**

1. The Club Recognises that children play the sport for fun and not be considered as potential elite players but as participants in a team game with goals that match the children's own abilities.
2. The Club endeavours to emphasis the children's efforts and performance. Such efforts to be rewarded by recognition of their achievements in skill development.
3. Iron Cove & Balmain District Tigers Cricket, recognises that young people grow at different paces and that the emphasis on competition be delayed till at least age 10, when full field games can be handled by young legs and minds.
4. The priority of the Cricket Program is to expand the player base, with an emphasis on building up a non-elite structure and the recreational aspects of the sport be given priority.
5. It is targeted at both **boys and girls** and places an emphasis on **participation** and the development of basic skills in a fun environment, irrespective of abilities.
6. The Club is committed to diversity and inclusion in both Juniors and Seniors and wishes to enhance everyone abilities within the Club.
7. Provide pathways for juniors to move up into Senior playing Programs within the Club and the wider Cricket community for social and Individual development.
8. The Club wishes to provide for juniors an environment to play the sport in a competitive environment and at the highest level possible to foster their skill development.

#### **SENIORS.**

1. The Club wishes to provide an environment to play the sport for fun and social interaction for both Men & women of all age and irrespective of abilities.
2. The Club wishes to provide an environment to play the sport in a competitive environment and at the highest level possible.

2. The Club endeavors to emphasize the efforts and performance of Players and Administrators within the Club.
3. The priority of the Iron cove & Balmain District Tigers Cricket Coaching Program is to expand the player base, with an emphasis on building up a high performance structure in playing and coaching, as well as the recreational aspects of the sport.
5. The Club's programs are targeted at both Men and Women and places an emphasis on participation and the development of basic skills.
6. The Club wishes to provide pathways for Players to move up into wider playing Programs within the Club and the Cricket community for social and Individual skill development.

**JUNIOR TIGER**

## **By-Law 2 of the Constitution.**

#### **CODE OF CONDUCT**

1. A Person or Persons must not behave in a manner detrimental to the spirit of the game of Cricket, or to bring the club or the game into disrepute.
2. Those Persons referred to can be either participants in the game, Spectators, Parents or Partners of Players.
3. That a Person or Persons must not;
  - a. Assault or attempt to assault an Umpire, another player or a spectator, be it a senior or junior person.
  - b. Abuse, either verbally or physically, another player, Umpire or a spectator, be it a junior or senior person or use language that is discriminative on the basis of race, gender or sexuality.
  - c. Dispute, as distinct from question, an Umpires' decision or react in an obviously provocative or disapproving manner towards an Umpire, his decision, or generally following an Umpires' decision.
  - d. Use crude or abusive language, or engage in any form of conduct detrimental to the spirit of the game, or likely to bring the game into disrepute.
  - e. Use crude or abusive hand signals or other gestures.
  - f. Abuse, mentally or physically a child under their care, by use of physical force, coercion, verbal and bullying manner.
  - g. Participate in the use of Alcohol or any other substance that is detrimental to theirs or others performance, whilst playing, especially in front of Juniors under the age of 18 years.
  - h. Refuse to supply his or her full name and registered address, to the local or District Cricket Association, such as a Club official, Association official or local Council officials or members of the Police Force, when required by that person who is eligible to lodge a report of an incident concerning conduct that is unbecoming of the Club or Association.
  - i. The person or persons who are in breach of this code will be dealt with, firstly, by the Club Committee, and then if required by the appropriate Cricket Association under whose jurisdiction the competition is conducted.
  - J. Use of electronic media to engage in actions that would be detrimental to the conduct of the game or against the spirit of Cricket or to bring the game into disrepute.

Either of these authorities will administer the appropriate penalty handed according to the severity of the Breach.

**IRON COVE FROM TIMBRELL PARK, FIVE DOCK**

## PRESIDENT'S REPORT 22-23

Hello to all our club members from Juniors through to Seniors.

This is my second year now being back as President after a year off and it has been in my view a successful season for both juniors and Seniors alike. The junior coaching program started in the 2021-22 season has blossomed into a full-blown coaching for all teams this season past, 2022-23.

From all accounts it has produced results for the players on the game days with our U10 Lara Team getting through to the Semi-final. Good effort. All our other junior teams appear to have had a good time, especially those juniors that went from junior blasters up to the U8s.

Our seniors B Grade team were unfortunate not to get to the finals but performed well during the season and were quite competitive against all teams in that division. Driven by their Captain Warwick King who put on many a training session that assisted in them being quite competitive as I have indicated. We have had a couple of new players on board that give us that edge during the season, especially Sam Weight who came to us from Melbourne. Sam scoring a Century against St. Andrews Parramatta and a 5 for versus Ashfield.

The C Grade who started off their season very shakily, started to perform well at the end of the season and were unfortunate not to get to the semi due a glitch in the rules that disallowed players that come from Shires Cricket to play in the Park Cricket Competition. Let's not say more on that, but enough to say that I am sure they would have got through to the final and had a very good chance of being Premiers.

The team was of course deeply disappointed but as a team bonded well and played above themselves all season. Credit is due of course to the perennials the Martin boys, Alex and James. James took a 5 for against Concord Briars and a 6 for against India Avenue. Whilst Alex also got a f for against Ashfield.

Well done to all our teams and we look forward to going around again next season.

The club is determined to be bigger and better in season 23/24 – with a determined recruitment drive for both juniors and seniors. We hope to have another Senior and hopefully two or three new junior teams next season.

Sponsors played an important part in the season's financial success, we could not have provided the junior coaching without them.

The sponsors have been great supporters of the club and we hope they will continue their relationship with the Tigers over the coming seasons.

Thanks again to our supporters:

Simone Azzi of Belle Property, Drummoyne Sailing Club, Debt Sale Brokers Australia.

The Club continues to cement its viability by encouraging a social aspect to the club. All players, parents and friends are welcome back to the club house after training and after the game. Having our own club house remains on our long-term agenda as we scale and grow.

Lastly, I would like to thank my fellow committee members for their ongoing support. Warwick King (Vice-President), Terry Kelly ( Secretary/Manager), James Cochrane-Burgess & Mehran Chatra, who helped guide us through IT support for our web page.

All the best for the upcoming Season.

Alexander Saad  
Co-founder and President.  
July 2023

## SECRETARY'S REPORT 2022-23

With Covid-19 seemingly behind us, but still in the community, restrictions had been eased so we could have a full season of Cricket for the first time in a couple of seasons.

Even though the weather eased to allow us to have a reasonable season, it meant we could field a new look structure overall for the Club in Playing and our social setups.

The Juniors coaching set up for the season appeared to be a great success. Having hired Coaches for each team meant their level of training in both fielding and hand eye coordination improved immensely.

Wednesdays are to continue to be a feature of regular training days. Also a move to move to Timbrell Park in the main, but still use Five Dock and possibly Waterfront Callan Park, for those that find it inconvenient to get to Timbrell in the afternoons.

The collapsible Net was not as successful as earlier thought. Hopefully the nets at Timbrell Park will be refurbished by the time the season is started.

The Coaching structure for juniors to be expanded next season, to include individual training.

We lost, a couple of teams last season to private schools, which set us back a little, but the teams we did have, to all accounts, did well during the season. Our U12 Botham, went up a year so that they could play the longer format game of 30 overs instead of the T20 style format played by U10s & U11s. They were to say the least, challenged, but due to the coaching and their game experience, improved mightily over the season.

Similar story with our U10 Punter & Perry teams who had a mixture of age players that made playing against more experienced players, challenging. But over all I would say they enjoyed their season.

The U10 Lara team, were the stand out, even though some were under age for the division, played above themselves and got through to the semis, with a memorable game against their rival Concord Briars Blue. Unfortunately, they did not succeed in going forward to a final.

An outstanding team performance though. If they go forward next season it might be to the U11s, where I think they could do well.

The structure we put in place for our Junior Blasters last season, was to have them come to the training sessions each Wednesday and after Xmas, we got them to graduate to an U8 team where they played in that age group comp. Their first outing was a great success winning their first game. Our U9s under the coaching of experienced Cameron Roberts tutor-ledge had a mixed season, but enjoyed every minute of the experience.

The senior Teams, did not have a good start for the season, both our B & C grades losing some difficult games. With an influx of new recruits, both teams bounced back for the season, with some good wins. It looked like the B Grade team could get to the finals with notable wins over the top 4 teams. Our new recruit Sam Weight, playing an integral part in our success. But finals were not to be for B Grade, losing a couple of important games after Xmas.

The C Grade team, as I indicated, had a poor start, but gained momentum in the second half of the season. Getting through to the semi final against India Avenue Chargers. A fantastic game where we were successful in taking away a win and looked forward to the semifinal versus the old enemy, Ashfield. But it wasn't to be.

A rule where players that had played prior or this season, in a Shires or Premier Grade, could not participate in the comp, meant that two of our players breached this rule and so the team was disqualified from the semi. A bitter disappointment, as they would have gone on the win the grand final, with their performance going into the finals. Always next season.

Next season, I am hoping for an expansion of the Club to a few more teams in both Juniors and seniors. We have had enquiries already as to the upcoming 23-24 season.

One feature of our Club will be to strengthen our culture around the club in social activates, like going to the Big Bash as we did last year and by having trivia nights and Xmas outings.

Finally, thank you to those managers and Saturday Coaches who put in to their teams.

Nicky Beeker, Huw Higginson & Sarah Short in the U12s Botham Team.

Jennifer Stuart, Carolyn Maguire & Warren Pereira in the U10 Lara Team.

Brett Roberts & David Sallway in the U10 Punter Team.

Meg Lowe, Adam Lane, Jason Elston & Steve Hair in U10 Perry Team.

And the Blaster Squads; in the U9s Raj Tigers , Cameron Roberts & Ankur Chakore in the U8 Bengal Tigers.

Thanks to my fellow Committee members, Alex Saad, Warwick King & Sarah Short.

Thanks very much for your support and energy with the teams. See you all next season.

Terry Kelly.

June 2023.

# PROFIT AND LOSS STATEMENT FOR SEASON 2022-23

Incorporating:

Iron Cove Tigers CC & Balmain & District Tigers CC

## Accounts

July 1st 2022 to June 30th 2023

---

## Income

## Notes to Accounts.

### Note 1. Sponsors.

Two major sponsors made up the bulk of the sponsorship receivables. Belle properties of Annandale & the Drummoyne Sailing Club. The Victoria Hotel in Annandale provided \$3,500 over the season in increments based on attendance at the Hotel. The other Sponsors were Debt Brokers and V Breathe.

### Note 2. Coaching Camp.

The Club put on in January this year, an extension of the weekly training program, but with more specific coaching over two days. It is intended to continue this activity next season.

### Note 3. Internet Costs.

A yearly subscription from the website Provider Wix. Wix is also the platform by which PlayHQ, the Cricket Australia operating platform is built and it made our page seamless with registrations and notices through PlayHQ.

### Note 4. Equipment Purchases.

This for purchase of Kits and relevant equipment. Balls and miscellaneous equipment for running the Coaching. Also it incorporates the purchase of a demountable Net for practice. The cost being \$1,016.00

### Note 5. Operating Expenses.

These costs incorporate, printing for Banners & Corflute's. Plus Recruiting Costs on Facebook and Instagram.

# JUNIOR TEAMS REPORTS FOR 2022-23 SEASON

## UNDER 8s AND UNDER 9s

Our Under 8s began the year as one team before creating two after Christmas with half the group going up an age group. With some never having played cricket before and others returning for another year, they all played like a team with great encouragement, fairness and always having each other's backs. There were some great batting moments during the year with some amazing boundaries being hit and excellent running between the wickets. Bowlers tried hard to work on their accuracy and there was always a lot of excitement in post-wicket celebrations.

Cricket at this age is about having fun, learning the basics and participation. We had some great wins during the season and matched most teams really well despite being younger and less experienced. We worked on achieving some great goals like not losing a wicket in an innings, bowling good line and length and taking some great catches.

Improvement comes with practice and repetition. It was obvious that some players had put in a lot of work outside of training and games with many coming back after the Christmas break looking like new. You can tell how keen they are with most training sessions and matches beginning with "can I bat first?", "can I bowl first?", "can I wicket-keep?".

Keep up that enthusiasm and you'll all have a great season next year. Thank you for being such a great bunch of superstars and it was a pleasure to play a small part in your cricket careers!

### UNDER 8s - COACH ANKUR

Aahil - Started playing cricket the second half of the season and has improved much in his bowling. He is also able to stand up to fast bowling and has good defence. He is very enthusiastic on the field and is developing a craze for cricket off the field. He is watching "The Test" TV show and is practising his bowling all the time.

Aghanya - First year and is loving learning the game at the moment by trying really hard at training. We will be looking forward to her developing more keenness for the game and becoming an enthusiastic part of the team.

Ganesh - Has greatly improved his batting skills and is always looking to score runs. He took his first wicket in a recent match and was extremely happy about it. He has fun in the field and slides every time whilst fielding. Love his theatrics!

Johnathan - One of the leaders in the team and is greatly improved in both batting and bowling. He can hit the ball hard to all parts of the ground. His batting with Marcus has won the team a number of games with their brilliant running between the wickets.

Lucy - Keen and enthusiastic on the field and plays to her strengths. She is a good bowler and looks like getting a wicket regularly. She is able to stand up to fast bowling and does not worry even though batting against quality bowling.

Marcus - Likes to strike the ball to all parts of the ground and bowls with great accuracy. During one of his overs there was a team hat-trick with two wickets and a runout. The team looks up to him to get us over the line. He is also a great fielder and took an excellent running catch.

Rupert - One of the youngest to play the game and has shown great willingness to learn and work on his whole game. He loves to talk about everything that is going on and keeps the game interesting. He is not afraid to bat against fast bowling and has a great team spirit.

### **UNDER 9S - COACH CAMERON**

Anvay - One of the hardest workers off the field which showed when he improved each week and ended the season bowling some amazing fast balls on a good length. Consistent batting performances have made him an invaluable all-rounder.

Cooper - Always tries hard and played some great shots against some really fast opposition bowlers. Never backed down from a batting challenge and got his first wicket with a big inswinging yorker!

Ethan - Bowls some unplayable balls and is a great asset in the field. Can bat anywhere in the order by either getting us off to a great start or finishing strongly.

Flynn - All the players look up to him because he's a modest leader with an amazing attitude towards the game. He can play all types of bowling and has a great variety of shots. Flynn is a versatile left-artermer who can bowl fast or spin. He always listens to feedback and constantly tries to better himself. A pleasure to coach.

Vivienne - So brave facing some really fast bowlers and never backed away from a challenge. Bowls some great leg spinners which dip and turn and are so good they beat the best opposition batters.

Will - Started the year as a hard-hitting batter and quality fielder and finished the season as an accomplished all-rounder after putting in a lot of work on his bowling over the Christmas break. Hard work pays off and you showed us how, Will!

Xander - A really consistent and reliable all-rounder who can bat anywhere and bowl some unplayable balls - was even on a hat-trick at one point. Great fielder too. Well done on a wonderful season!

Thank you to all the parents who came and supported the team. A special mention to Matt R for scoring all season for the Under 9s. It's a massive sacrifice because a lot of the time you're counting and concentrating on keeping umpires informed instead of being able to relax and enjoy the game so thank you so much. We all really appreciate that and your dedication doesn't go unnoticed. Big thanks to Heidi, Jo, Dave and Snehil for rallying the troops on game day and Matt D for helping with ground set-up.

Thanks to our club sponsors Drummoyne Sailing Club, Debt Sale Brokers Australia, Simone Azzi at Belle Property and Kingsgrove Sports. Volunteer sporting organisations only survive because of the generous sponsorship from corporate partners so please make sure you return the love to them if you get the chance.

Finally, thanks to Terry, Alex, office bearers and club volunteers. It's a massive job running a cricket club and it takes a lot of time away from your families and considerable personal expense. From recruitment, paperwork, communication, dealing with associations, councils and managing equipment to finding sponsors and even putting this annual report together. It's a mammoth task. The teams really appreciate your efforts.

**Yours in cricket, Cam and Ankur**

# U10 TEAM PERRY REPORT 2022-2023

As a first-year coach I was a little nervous before the first game to meet the team and see how we would go. But what a great bunch of kids, and I finish the season as an immensely proud coach. We adhered to a few simple rules.....

1 – Have fun

2 – Be comfortable; and

3 – Watch the ball

We did a lot of 1 and 2 and mostly did number 3! But the improvement shown across every player and as a team was remarkable. Picking a most improved player was nearly impossible.

The team played in great spirit, supported each other and even made a team song. As the umpire I did have to ask us to not sing whilst the bowler was coming in a couple of times!

Whilst the scoreboard didn't go our way, at the end of every game it was always easy to pick out ways that each player won on the day.

Some major thank-you's to the amazing parents. Meg, we wouldn't have had a game without you! The organisation of the team, the ground, who was playing, and the kit

bag kept the pressure off the coach who certainly struggles with such things in general, kept the team running. Adam, I think you had the hardest job corralling the team on the sideline but thanks for always being at training and your help on gameday kept me sane. Much appreciated. Gus and Christine. Firstly an apology from the umpire for all the work I gave you! But you were incredibly patient throughout and thanks so much for being in the hot seat. Adam, Sean, Alyson, Jason, Jody, G Man, Louisa – Thanks for the support and for the Saturday time, I hope you enjoyed and were proud to see the team and individual improvements. I hope I haven't missed anyone and hope to see you all next season.

Team Perry:

Leo: What a great year for Leo. Led the way for our batting and nearly scored a 'ton' over the year. Was our best batter and hit the most fours including that incredible straight drive in rd 12.. The fielders always took a step back when Leo was on strike, he hit so many 4's and nearly a 6 vs the Briars. Leo is a very handy bowler and was always dangerous. Leo would have got more wickets as a bowler except for his wicketkeeping duties. An absolute pleasure to coach, always polite and plays the game in great spirit. Congrats Leo on being the player of the year! Highlights: That straight drive vs The Buccaneers still keeps me clapping. What. A. Shot.

Maddie: The team always had fun when Maddie was around. Her smile was infectious across the team and was a great leader in the games she captained. Her left arm bowling showed steady improvement and her batting technique helped nullify the fastest bowlers in the comp. A great partnership with Alexandra whether it was batting, bowling or fielding next to each other (or sharing a joke!) Deserved winner of the all-rounder encouragement. Highlight: First game. Captain. Stepped up to the plate and led the team amazingly. What a leader! Highlights: That smile! Keep being you Maddie, great season and an all-rounder of the future!

Cassidy: Naturally gifted bowler who was unlucky not to take more wickets. Our best fielder also, who effected 2 run outs in one game and nearly a third! Batting really improved as the year went on and our winner of the all-rounder award. Cassidy has a bright future in the game, thanks for giving it your all for the team! Highlights: Bowling action being compared to Jeff Thompson by opposition parents where he took best bowling figures of the year, 3 for 6.

Alexandra: The teams leg spinner who made great progress in the most difficult art of bowling. Had a great knack for taking wickets with her wrong un bamboozling the best batters on opposition teams and finishing as leading wicket taker with 10. Always enthusiastic in the field and with her encouragement for the team. Formed a great batting partnership with Maddie, their communication and running between the wickets got better and better: Highlights: So close to a hatrick vs the Jolly Rodgers....the 3<sup>rd</sup> wrong un just snuck past off stump!

Max: The teams communicator. Always encouraging and gave great advice to the team. Was a stand out in running between the wickets and decision making got better and better as the year progressed. So good! Another to put up his hand to help with wicket keeping, Max has natural catching ability and I hope continues to enjoy it. Always keen to get to the bowling crease after keeping finished, a very handy off spinner who could have taken many more wickets with a little luck. Highlights: Top scorer vs the Briars.....Max kept running and showed the team how to do it! Well done!

Mason: In a team where every single player improved tremendously, Mason was clearly the most improved. A great example for everyone to do extra practise during the week to help improvement, Mason become one of the teams most accurate bowlers at seasons end. Really well done Mason and keep that practise up in the off season! Very brave at the batting crease, always getting behind the fast bowlers and putting a big price on his wicket. Highlights: A great performance in front of his grandparents which I'm sure made them proud.

Hamish: 2<sup>nd</sup> only to Mason in terms of improvement and another that spent a lot of time doing extra practise and the results certainly showed. A simple but strong bowling action that made Hamish very accurate. Keep up that practise and the speed will come! Amazing improvement at backing up.....both when batting and in the field. Great to see the little cricket skills become standard for Hamish after never having played before. A good eye at the batting crease, my only tip is to get that hair cut so you can use those eyes! Thanks for a great year Hamish, in a team that played in great spirit, to be our leading in sportsmanship is a great achievement. Highlights: Many to choose from. Personally when Hamish backed up a throw at the bowlers end, making way from point was mine.....Hamish will probably say his wicket with a beautiful outswinger was his favourite!

Gracie: What can I say. So proud of Gracie's bravery and improvement this year. Great to see the confidence build throughout the year and the smile when she got the first wicket will not easily be forgotten! Still need to work on our fist pumps but we will get there! And then to go out and be facing her full allotment of balls when batting and getting the team runs was so good to see. Always wanted to put the team first and get best results, Gracie you inspired us all. Highlights: 2x player of the match must rate highly.....but the smile on her face when she took her first wicket can never be forgotten! Go Gracie!

Sam: Tremendous bravery at the batting crease facing bowlers much older but never taking a backward step. Always in behind the line of the ball.....Sam you were right up there for most improved also. And your bowling went from strength to strength. The look in your eye and smile with self-satisfaction when you went around the wicket in round 13 and were so much more comfortable was so good to watch. A pleasure to coach, always listening and trying your absolute best. What a first year of competitive sport for Sam. Please make sure you come back for a 2<sup>nd</sup>! Highlights: The back cut vs Concord would have made Marnus Labuschagne proud!

Hal: What a little fighter! Hal was new to cricket but was a great listener and learner. Hal proved he was a good bowler with many balls bowled accurately. I think bowling with the wide brim hat on suited Hal well. In batting, it was so great to see Hal get confidence in running between wickets, especially with Hamish. Also a great team player, epitomised when we were without a keeper in one match Hal was the first to put his hand up. What a team player. Thanks for listening and learning Hal. Come back for more next season! Highlights: Top scored in Rd 4 against the Briars with a huge 7!

And to Terry. Thanks for welcoming me to this club. From the moment I was at the preseason day it was clear you had a strong ethos of getting kids involved. Team Perry have benefited in a huge way. Thank you.

Steve Hair

Coach, Team Perry

# Iron Cove Tigers – U10 Team Punter

The 2022/23 season saw the majority of Team Punter return with the addition of 3 new players. We welcomed Asher, Alex and Jack to the team as we progressed from Master Blaster to "Proper" cricket with Pads, Gloves, helmets and hard balls.

Whilst the Ladder may only show 1 win and 1 tie for the season, the progress made by the boys coupled with the attitude of never giving in and staying in the contest with the older and more experienced competition will hold them in good stead for the future.

Thanks to the Parents of the boys for Scoring, arranging Food and snacks and general assistance across the season. Brett and I look forward to seeing the Boys and Parents back for the 2023/2024 season.

The Players:

Max Sallway - Cricketer of the Year Award

Max was awarded Cricketer of the Year for taking the most wickets and scoring the most runs for the team. Max's Left arm quick bowling and boundary hitting (including a big 6) coupled with his energy in the field were highlights of his season.

Jack Palfreyman - Spirit of Sportsmanship Award

Jack in his first year of cricket progressed strongly throughout the year. Jack was a great team man encouraging his team mates at all times. As the season progressed his fast bowling and boundary hitting was an asset to the team. I look forward to seeing you play in future years and growing on your debut season.

Alex Wright - Wicket Keeping Excellence Award

Alex, playing in his first year of cricket took to Wicketkeeping with aplomb. Alex's catching and general keeping was high quality with opposition teams always remarking on the ability of our keeper. There was nothing that got past him and his enthusiasm and energy from behind the stumps was infectious for his team mates.

Enzo Dome - All Round Excellence Award

Enzo was our reliable all rounder scoring the 2nd most runs for the team and taking the 2nd most wickets. Always the competitor, his strong arm in the field resulted in many run outs and kept us in many tight games.

Tom Griffiths - All Round Excellence Award

Tom epitomises the Team Player. Tom always had his hand up to Open the Batting, keep wickets or field in a difficult position when nobody else wanted to. He contributed strongly with both bat and ball and was key in encouraging his team mates in the field.

Zac Roberts - All Round Excellence Award

Zac in his 2<sup>nd</sup> year of cricket built on the foundations of his debut year. Zac improved in all aspects of the game, most notably his batting which saw him as one of our more consistent scorers throughout the season. We look forward to seeing Zac develop in future years.

Zac Tauberman - All Round Excellence Award

Zac another cricketer that built on foundations from previous seasons with bat and ball. Zac contributed across the season with runs, whilst his accuracy with the ball developed over the season taking crucial wickets against the leading teams in the competition to keep us in games later in the season.

Asher Vohra - All Round Excellence Award

Asher playing in his first year of cricket contributed and grew across all aspects of the game. Asher opened the batting, kept wickets and bowled tidy line and length medium pacers. Asher was always looking to learn and improve his game which augurs well for next season.

Hudson James - All Round Excellence Award

Hudson, our reliable Opening Bowler and Strike Bowler bowled a great line and length to always get the innings off to a strong start. His ability to always attack the stumps and bowl a nice outswinger kept opposing batsmen on high alert. With the bat Hudson was our closer, turning 1s into 2s and 2s into 3s and running the opposition fielders off their feet.

Rupert Brown - All Round Excellence Award

Rupert returned for season 2022/23 a much improved cricketer and built upon that as the season progressed. Rupert's leg spin bowling evolved with him developing flight and turn off the wicket. In the field he took some crucial and sharp catches, whilst with the bat he put a high price on his wicket and kept opposing bowlers at bay. We look forward to watching Rupert's development in coming seasons.

**Team Botham U12**

# Steve Waugh Div. Mixed Team Cricket Report

By Sarah Short

This was the first season Team Botham played in the Under 12 competition. They enjoyed the step up from the Under 10's competition and the challenge of trying to 'carry their bat.'

The team managed to hold their own against much older, bigger and more experienced players (some even had facial hair !) and tried not to be intimidated by some of the fast bowlers they faced.

It was great to have a season uninterrupted by Covid or wet weather. Although the dew did manage to turn the balls to mush pretty quickly during several of the matches and we seemed to have an unlucky streak of losing the toss every match (apart from the last game) and so had to bowl first which was challenging with a wet ball.

The kids learnt so much this season and the last match was super exciting with the kids so pumped that they stayed in to practise during the break rather than coming off to enjoy a rest and some fruit. It was great to see how much the kids enjoyed spending time together both on and off the field. It was wonderful to see them cheer each other on when they hit a four, took a wicket or retired and pat each other on the back and give a word of support if they lost their wicket.

Thanks to Huw for being a brilliant coach and for umpiring most of the matches. Thanks to Dave for stepping in to umpire when Huw was away and for sharing some of the umpiring so that Huw didn't have to stay on the field all morning in the heat.

Thanks to Nicky and Joost for helping manage the team - especially when Emily was out of action for half the season after breaking her finger in the first match.

Thanks to Justyn and Rian for scoring most of the matches.

Thanks to Jen for making sure we kept Team Botham together for another season. Hopefully we can keep the team together as the kids move on to high school next year.

Thanks to all the parents who came to support the team so enthusiastically each match - watching Marita jump up in excitement as Jack caught two balls in close succession in the last match was certainly a highlight of the season for me !

Thanks to Des, Anthony, Craig and Salim for warming the kids up prior to them going out to bat. Thanks to all those who did much needed coffee runs.

Thanks to Neo and Sven for being such fantastic mascots - I will have to see if Terry can organise a uniform for them for next season.

Finally thanks to Terry for everything he does to make it possible for our kids to play cricket and to improve their skills and foster their love of cricket. The two day January training camp was very beneficial, the annual Christmas parents versus kids match and BBQ was a fun event as was the BBL game that Terry organised tickets for people to attend and we will all be looking forward to the awards presentation and raffles at Drummoyne Sailing Club which is always a great way to end the season.

I asked the kids on the team what they liked most about cricket this season and their answers are below.

Thomas Aldridge

Best part of this season - 'when we took a wicket against the top team and other teams hadn't managed to do this.' Award : All round good player

Zach Ang

Best part of this season - 'when me and Jack both retired.' Award : All round good player

Yoris Bekker

Best part of this season - 'hitting runs'

Award : Team High Performance Award

Charlie Carn

Best part of this season - 'when I got my highest score batting.' Award : All round good player

Jack Hebblewhite

Best part of the season - 'playing cricket with my friends' Award: Team Spirit of Sportsmanship

Jack Higginson

Best part of the season - 'carrying my bat' Award : All round good player

Emily Short

Best part of the season- 'not breaking my finger again in the second half of the season.' Award : All round good player

Alex Stuart

Best part of the season- 'going to the game and having fun' Award : Most improved

Kabir Suriya

Best part of the season- 'how the team support each other'  
Award : All round good player

Tobias Tai

Best part of the season - 'when I got a wicket' Award : All round good player

# U10 LARA TEAM REPORT

**Left to Right: Lily Bekker Jude Rose, Tom Hebblewhite, Ari Williams Veazey, Will Stuart, Patrick Maguire, Remy Perria, Nate Ang, Sam Wahl, Daniel Badger.**

Team Lara is really just an amazing cricket team. All 10 players are athletic and great cricket players. They are also great friends, on and off the cricket pitch.

This season we won more games than we lost and our team made it into the semifinal, finishing 3rd overall on the leaderboard. But more importantly than this, we had a really enjoyable season and the kids had a lot of fun playing cricket.

Thank you to Helen for being our scorer and to Dave, Byron, Simon, Chris and Carolyn for doing our umpiring. And a huge thanks goes to Warren for all his input and effort throughout the season. Warren has become our game day coach, which we are all very excited about.

Every player on Team Lara should be proud of themselves.

The Spirit of Sportsmanship Award goes to Jude Rose.

The Most Improved Player Award goes to Remy Perria.

The award for Excellence in Batting goes to Ari Williams Veazey.

The award for Excellence in Bowling goes to Tom Hebblewhite

For All-Round Excellence Sam Wahl

For All-Round Excellence Nate Ang

For All-Round Excellence Will Stuart

For All-Round Excellence Patrick Maguire

For All-Round Excellence Daniel Badger

For All-Round Excellence Lily Bekker

# AWARD LIST FOR JUNIORS

## 2022-23 SEASON.

### JUNIORS:

#### Under 8s Bengal Tigers awards

Most Valuable Player: **Aahil Chakore** (Big Medal)

Excellent All-Rounder: **Lucy Mazzaferro**

Excellent Bowling: **Ganesh Goodfellow**

Always reliable: **Aaghanya Mukka** (Bronze Medal)

Outstanding Batting: **Johnathan Pringle**

Excellent Team Player: **Rupert Pringle**

Outstanding All-Rounder: **Marcus Mazzaferro**

#### Under 9s Raj Tiger Awards

Most Valuable Player: **Flynn Ryan** (Big Medal)

Excellent All-Rounder: **Xander Ashburner**

Excellent Bowling: **Anvay Kulkarni**

Always reliable: **Ethan David** (Bronze Medal)

Outstanding Batting: **Vivienne Duquemin**

Excellent Team Player: **Cooper Roberts**

Outstanding All-Rounder: **William Sallway**

**SPECIAL MENTION TO A COUPLE OF LADIES WHO PUT  
IN A GREAT DEAL OF WORK FOR THE JUNIORS IN 22-23.**

**CAROLYN MAGUIRE, JENNIFER STUART**

**& NICKY BEEKER**

# ANNUAL REPORT AND AWARDS – B GRADE

The 2022/2023 season commenced earlier than usual following the previous season losing several of the final weekends to rain during a time where the East Coast of the country was impacted by unseasonably heavy wet weather due to the La Nina weather system. Wet weather plagued the commencement of the season, even washing out a pre-season warm up match between B and C Grades. The First game was played in mid-September 2022 which posed some challenges across the league for many teams with the Sydney Swans AFL team making the AFL Finals causing for some challenges with player availability. We saw many forfeits in the opening three rounds across several teams in the B Grade competition as a result of this.

The main focus of the year was to build a strong B-Grade team culture and build the enjoyment level of the team which aided with the additional sponsorship of the Victoria Hotel in Annandale where the players would meet following the Saturday much on almost every occasion on debrief on the days events. The culture felt better, more positive and players seemed to enjoy themselves considerably throughout this season.

There was also much better turnout of the B-Grade team than in other seasons which showed, with some great fielding efforts and reduced dropped catches occurring throughout the season. Leading into the season we'd been too reliant on 3 batsmen to do the heavy lifting and were aided with 2 talented inclusion through the season Sam Weight and Michael Hannelly.

The leading run scorer was Sam Weight who in his first season with Iron Cove Tigers was a very welcome addition with bat and ball. Sam Scored 489 runs at an average of 54.33 including 110 on the 10<sup>th</sup> of December and 93\* on the 17<sup>th</sup> of December (203 runs in 2 weeks leading into Christmas), with returning players Alex (Sandy) Henderson 277 @ 30.78, Nick Schatz 254 @ 28.22, Mitch Smith 188 @ 20.89 and some great notable performances by Michael Hannelly who scored 92\* against Leichhardt Wanderers in the last game of the home and away season and

backed it up with a team top score of 38 the following week – the first week of finals – and finished the season with 167 @ 41.75. Michael only joined the Tigers post-Christmas.

The leading Wicket Taker was shared with Sam Weight BB 5/17 and Alex (Sandy) Henderson BB 3/17 taking 17 wickets apiece @ 18.59 and 18.65 respectively supported by Warwick King BB 4/29, Sanjeevan Agniswaran BB 4/43 and Callum Arnold BB 3/26 all taking 15 wickets @ 16.93, 17.73 and 19.00 respectively. This was a significant improvement on the previous season where our highest wicket taker - Sanjeevan took 12. As the team was building towards finals, there was a notable performance from Preston Davis who finished the season strongly with 13 wickets @ 17.69 and took 4/8 off 5 Overs in Round 17 against St. Matthews B-Grade.

The way we bowed out of the season being knocked out in the finals was in disappointing circumstances but we held our heads despite some controversial circumstances with no formal umpire appointed for the match.

Overall we had 16 players represent the Orange and Black who were registered with Zac Cowan and Alex Kennedy frequently coming out to support the team and play when the core players were unavailable and enabled us to ensure we had at least 11 players for most games of the season, these efforts and thoughtfulness are not unnoticed and personalities are fantastic to have around the squad, and I hope to see you both become core members next season.

We saw some tremendous tenacity from some of our players (Jason Fasone, Sanjeevan Agniswaran, Binoy Nambir, Warwick King who had tough weeks at different stages of the season usually after time periods away from the game and they put in the hard effort at training to elevate their standards to high levels within the team. Next year we will put a focus on pre-season training to ensure we hit the season running as the last couple of years we have been starting well behind the competition with limited preparation leading into the season.

This has been a brilliant season where we made finals for the first time ever in this grade and showed tremendous improvement across the squad. We will come back better next year and many of us still have individually further improvement we can make with bat, ball and fielding. It has been a honour and pleasure captaining the team this year. Thank you for a wonderful joyous season with fantastic characters – I wish you all well deserved break.

### Awards Summary

1. Individual High-Performance Award: Sam Weight (489 runs, HS 110\*, Avg. 54.33, 17 wickets, BB 5/17, Avg. 18.59, Stkr. 24, Ecn. 4.65)
2. Best Batting: Sam Weight 489 runs @ 54.33Ave
3. Bowling – Tied
  - Sam Weight 17 Wickets @ 18.59 Ave 316 Runs
  - Alex Henderson 17 Wickets @ 18.65 Ave 317 Runs
4. Best Fielder/Allrounder – Alex Henderson
5. Spirit of Cricket & SPORTSMANSHIP: Jason Fasone

Warwick King  
Captain of B-Grade

# ANNUAL REPORT AND AWARDS – C GRADE

The 2022-23 Iron Cove Tigers C Grade season was like the previous season was one of what could have been. The first half of the season was tricky as player absentees meant we struggled to consistently field a full side leading to mixed results. Thankfully Abbas came to the rescue with several of his friends to fill the vacancies. As the season progressed, we moved up the table and eventually qualified for the finals.

The individual highlights of the regular season included five wicket hauls for James (x2) and Alex Martin. As has become custom, Jimmy once again cleaned up with the awards. Mehran provided the inning of the season with a dashing century. Mehran took the most catches and took the fielding award, however, catch of the season went to Abbas with a stunning one hander on the boundary. Alex Cole was miserly as ever as opening bowler, Vivek provided wicket taking power and Abbas with his swing meant we were the top wicket taking side in the competition. The Martins, Atish, Mehran, Sadeq, and Manny all contributed to the runs.

Unfortunately, despite our first round Finals victory we were disqualified over player eligibility. A disappointing end to a difficult season. Despite this, it was enjoyable as ever to play alongside the guys and that's what we are here to do, play cricket.

James Cochrane-Burgess

C Grade Captain

## SENIORS:

### B GRADE AWARDS 22-2023

1. INDIVIDUAL HIGH PERFORMANCE AWARD: Sam Weight (Bat)  
(489 runs, HS 110\*, Avg. 54.33, 17 wickets, BB 5/17, Avg. 18.59, Stkr. 24, Ecn. 4.65)
