AFFILIATION WITH THE DISTRICT.

Iron Cove's name was derived from the iron bark trees that dominated the District, when the first settlers encountered the area. It essentially encompasses the fact that the inlet that borders, Drummoyne, Five Dock, Rozelle, Haberfield & Balmain, which encapsulates the direction the Club wanted to be known.

The Club's name "Iron Cove Tigers", was chosen for its affiliation to the area and the old Balmain Tigers Football Leagues Club & the Balmain & District Cricket Club (Tigers), now Sydney CC.

The Club also incorporates the Balmain District in its secondary name; Balmain & District Tigers.

The Committee were determined to be known as "**Tigers**" and be recognised as a Community based Club.

The "Tigers" want to get back to the local area, support local businesses and create a true Club environment for Juniors and Seniors alike.

The Club will also focus on training and playing on local grounds in the Inner West. Developing Junior talent and providing a pathway to Senior Cricket.

The Club prides itself on its core values that are our motto, being;

RESPECT-INCLUSION-COMMUNITY.

THE DISTRICT ALSO HAS A LONG HISTORY WITH OUR FIRST NATIONS PEOPLE IN THE SYDNEY DISTRICT.

The Club recognizes the Wangai people that originally inhabited the country now known as Leichhardt Municipality. The history of Aboriginal people in the Sydney, Leichhardt area is, without doubt, a hidden one. What we know today as the Sydney Municipality & Inner West Municipality, was once the area inhabited by the Wangal band of the Dharug (Eora) language group.

The "Eora people" was the name given to coastal Aborigines around Sydney - Eora means "from this place" - local Aboriginal people used this word to describe to Europeans where they came from, and in time the term became used to define Aboriginal people themselves.

Wangal country was known as wanne and it originally extended from the suburbs of Balmain and Birchgrove in the east to Silverwater and Auburn in the west.

We pay Respect to their forebears and those current peoples.

By-Law 2 of the Constitution.

IRON COVE & BALMAIN DISTRICT TIGERS CRICKET

CODE OF CONDUCT

1. A Person or Persons must not behave in a manner detrimental to the spirit of the game of Cricket, or to bring the club or the game into disrepute.
2. Those Persons referred to can be either participants in the game, Spectators, Parents or Partners of Players.
3. That a Person or Persons must not;
 - a. Assault or attempt to assault an Umpire, another player or a spectator, be it a senior or junior person.
 - b. Abuse, either verbally or physically, another player, Umpire or a spectator, be it a junior or senior person or use language that is discriminative on the basis of race, gender or sexuality.
 - c. Dispute, as distinct from question, an Umpires' decision or react in an obviously provocative or disapproving manner towards an Umpire, his decision, or generally following an Umpires' decision.
 - d. Use crude or abusive language, or engage in any form of conduct detrimental to the spirit of the game, or likely to bring the game into disrepute.
 - e. Use crude or abusive hand signals or other gestures.
 - f. Abuse, mentally or physically a child under their care, by use of physical force, coercion, verbal and bullying manner.
 - g. Participate in the use of Alcohol or any other substance that is detrimental to theirs or others performance, whilst playing, especially in front of Juniors under the age of 18 years.
 - h. Refuse to supply his or her full name and registered address, to the local or District Cricket Association, such as a Club official, Association official or local Council officials or members of the Police Force, when required by that person who is eligible to lodge a report of an incident concerning conduct that is unbecoming of the Club or Association.
 - i. The person or persons who are in breach of this code will be dealt with, firstly, by the Club Committee, and then if required by the appropriate Cricket Association under whose jurisdiction the competition is conducted.
 - J. Use of electronic media to engage in actions that would be detrimental to the conduct of the game or against the spirit of Cricket or to bring the game into disrepute.

Either of these authorities will administer the appropriate penalty handed according to the severity of the Breach.

By-Law 1, of the Constitution.

IRON COVE & BALMAIN DISTRICT TIGERS CRICKET

MISSION STATEMENT.

The Club's overall mission is to provide a harmonious environment for a diverse group of people to come together in the Club's motto of;

RESPECT-INCLUSION-COMMUNITY.

TO ENCOURAGE THE GROWTH OF BOTH MEN & WOMEN IN A HEALTHY ACTIVITY CENTERED AROUND THE PLAYING OF CRICKET & ITS SOCIAL ASPECTS.

OUR CREED IS TO ACCEPT ALL COMMERS OF ALL RACES & OPINIONS TO PLAY IN THE SPIRIT OF GOOD SPORTSMANSHIP FOR BOTH MEN & WOMEN.

JUNIORS.

1. The Club Recognises that children play the sport for fun and not be considered as potential elite players but as participants in a team game with goals that match the children's own abilities.
2. The Club endeavours to emphasis the children's efforts and performance. Such efforts to be rewarded by recognition of their achievements in skill development.
3. Iron Cove & Balmain District Tigers Cricket, recognises that young people grow at different paces and that the emphasis on competition be delayed till at least age 10, when full field games can be handled by young legs and minds.
4. The priority of the Cricket Program is to expand the player base, with an emphasis on building up a non-elite structure and the recreational aspects of the sport be given priority.
5. It is targeted at both **boys and girls** and places an emphasis on **participation** and the development of basic skills in a fun environment, irrespective of abilities.
6. Provide pathways for juniors to move up into Senior playing Programs within the Club and the wider Cricket community for social and Individual development.
7. The Club wishes to provide for juniors an environment to play the sport in a competitive environment and at the highest level possible to foster their skill development.

SENIORS.

1. The Club wishes to provide an environment to play the sport for fun and social interaction for both Men & women of all age and irrespective of abilites.
2. The Club wishes to provide an environment to play the sport in a competitive environment and at the highest level possible.

2. The Club endeavours to emphasis the efforts and performance of Players and Administrators within the Club.

3. The priority of the Iron cove & Balmain Distrcr Tigers Cricket Coaching Program is to expand the player base, with an emphasis on building up a high performance structure in playing and coaching, as well as the recreational aspects of the sport.

5. The Club's programs are targeted at both Men and Women and places an emphasis on participation and the development of basic skills.

6. The Club wishes to provide pathways for Players to move up into wider playing Programs within the Club and the Cricket community for social and Individual skill development.

IRON COVE FROM TIMBRELL PARK

PRESIDENT'S REPORT

Even though we had a relatively trouble-free season in respects to the Covid pandemic, there were restrictions to our movements during the season. The new competition with the Churches Association meant that our A & B grades entered into a more competitive situation with the combined competition between them & the Inner West harbour teams in the seniors. Our Juniors came from our local district and were not affected by the senior changes as the Churches comp, did not have juniors to bring into the local comp.

Besides our Juniors are only the U8s to U10s and from what I observed are growing under the tutelage of our Secretary and new junior Co-Ordinator Sean Maguire. From all accounts they have done well, considering the growth has been from 2 teams to 7, with one team moving into the U10s. Congratulations to all those concerned with this growth in the already crowded club scene with the old Club Balmain South Sydney and the Leichhardt Wanderers being ahead of us in the number's stakes. Hopefully over the next couple of seasons we can grow our Juniors to rival those clubs.

Our Seniors started well. Our C grade team, of which I had most to do with in the season started off well in the early part of the season, but then due to injuries and other commitments started to fall behind in the winning stakes. Fielding a full team each week became a challenge and it began to show on the field. Dare I say we started competitively and had a couple of great games during the season. One especially comes to mind.

We had a fantastic game the in C grade during the season, between Leichhardt Wanderer's & the Tigers. The Wanderer's posted a seemingly unsurmountable 203. We were languishing on about 40 odd runs at 20th over when Noah Schwalger-Sachs & the Captain, Tom Rigby came to bat. They put on a truly magnificent batting performance, with Tom producing a great Captain's knock of 101. Noah contributing with a equally magic 60 odd. Its incredible that we fell short by 2 runs for the win. ending being defeated on 202. Still, that does not take away the performance of this team. Great work Tigers.

Similarly, our A & B grades did not fair to well this season. Languishing on the bottom of the table for most of the earlier part of the season, both teams suffered from injuries, family as well as other commitments, that drained them of the possibility of success, even though both teams had talented players in their sides. The likes of Nick Schartz, alex Henderson and of course the Captain of the combined team Jack Kerr.

Unfortunately, at Christmas time, the committee had to make the hard decision to amalgamate both A & B grades to make a more competitive team in A grade. This did not work out as we expected. The combined team suffered the same fate as both single teams. Lack of numbers on game day.

We felt that the Competition, having moved from a two day, to a 35 over format, would have given us the opportunity in A Grade to have a full team each week. But this was not to be. A disappointment for those that turned up each week and were the core players in that team.

A high point though, for the boys in A Grade, was winning the “Spirit of Cricket Award” in the joint competition.

We will need strong recruitment during the off season will be required if we are to be able to field competitive teams for next season. I am hoping we can again put three teams on the park, but presently that looks doubtful. We started well three seasons ago with that number of teams and faired reasonably well for two seasons. Lets hope that this situation can be turned around and we go forward into the future with strength on and off the field.

The Club will need to look towards cementing its viability by encouraging a social aspect to the club. Players coming back to the Club house, whether it be the Drummoyne Sailing Club or the local Pub. Encouraging the juniors to engage in social activities as well and of course, the Club looking into the future to having a Club house of our own.

I would like to thank my fellow committee members for supporting me during the season. Tom Rigby, the Vice-President, filled in when I wasn't available. Thanks Tom. A special thanks to our Secretary, Terry Kelly, who again holds the Club together, from Juniors to Seniors and as always, could be seen at both Junior and Senior matches during the season, encouraging and supporting the club. He is our driving force and will be hard to replace in the upcoming years.

Best of luck for the upcoming season to all our club members.

Clinton Thomas
President.
July 2021

SECRETARY'S REPORT

With our third year of existence and like most organisations that are in its early stages, there are wins and there are losses. We have seen a growth in our Juniors this season, mainly driven by the work of our Junior Convener, Sean Maguire, but on the other hand our Senior teams went from 3 for the last two seasons down to two at the end of this season.

The reason being injuries, family as well as other commitments, such as weddings, holidays etc. We suffered badly, from having reasonably competitive teams especially in C & B grade, down to two teams, with A & B team amalgamating. It was anticipated that doing this would, by combining the teams, we would have had a range of competent players, so that the team would be more competitive. Well this did not work out as we expected. The same issues occurred with this team as mentioned above. It was most disappointing, considering the capability of those players who were involved in that team. And may I say, if we had full teams each week, then they would have been quite competitive.

One high Point of the season was at the Joint Inner West Harbour-Churches presentation night our A Grade team were awarded the “**Spirit of Cricket Award**” for the season. Well done to Jack Kerr and his team for great sportsmanship.

On the other hand, our U8s & U9s went from strength to strength. Even though the competition they are involved in, is supposedly non-competitive, they all strove to succeed and improved their Cricket abilities.

One issue for these teams is the fact that the parents are in the main, managed and coached by persons who are not Cricket savvy. To assist them at training days, we did engage a coach for kids at this age group, Hayden Flack. Hayden was the mainstay in getting the kids up and running on a Thursday training, but it will take a greater effort next season to boost the training capabilities of the club to keep those players and maintain our growth.

Therefore, coaching is the key to future success of the juniors and dare I say for the Seniors as well. With Covid-19 being rampant in the community has not fared well for the season and we look forward that we may be reasonably free to have a full season, not effected by the virus next season. We can only hope.

Recruitment will be an issue therefore for the upcoming season 2021-22 both for Juniors and Seniors. A perennial problem for all Cricket clubs. For the Club to survive it needs dedicated people to step up to the crease and look towards a long bat with the administration of the Club for it to succeed.

The Club will require strong leadership over the next few years and if successful to maintain that growth into the decade. Strong strategies with cement that growth, otherwise, Iron Cove may a short run thing.

Finally, I would like to thank my fellow committee members that have assisted me in making the club run smoothly. Mark Waugh for his continued support and being a great treasurer and sounding board. Clinton Thomas as President, for being as much as driving force in making this Club a success right from the beginning.

Also I would like to congratulate Sean Maguire for his sterling efforts during the season with the Juniors. He was a worthy Club man of the season.

Terence Kelly
Secretary. June 2021

FIVE DOCK PARK SENIORS HOME GROUND

NOTES TO BUDGET

Note 1. These receipts will need to be pursued & with Sponsorships will reflect either the success of the Club this coming season.

Note 2. As a social initiative, the Gala Day for Juniors should bring in funds from Barbeque Etc.

Note 3. As a Social initiative for Seniors, should bring in funds from the day.

Note 4. The need for new sponsors is imperative to fill the cost gap with the club and to fulfil the new initiatives of coaching & Fitness & Facilities, Equipment. The club needs to seek new Sponsors to carry out these initiatives.

Note 5. Another social initiative to improve the social construct of the Club. This will require a concerted Social Committee to drive this move for both Junior and Senior alike.

Note 6. This Reflects the costs to run Junior Blasters, to hire a Trainer for the kids.

Note 7. An increase in costs this season as to Junior Blaster kids participating, with shirts & Caps.

Senior Clothing Costs can be trimmed depending on stocks and Players returning that already have a Shirt & Cap.

The Major cost though is purchase of new caps \$2,500

Note 8. These costs reflect the social construct of the club to deliver to its coaching management through the club. It will be driven by the Social Committee. Reflected hopefully in the receipts for these events.

Note 9. These costs are the social aspect of the club's activities.

Note 10. These coats are the social aspect of the presentation for Juniors and Seniors.

JUNIOR BLASTERS AT TIMBRELL PARK

The foundation for any sport is its juniors and our junior blaster program is no exception. Held each year at Timbrell Park in five dock it has grown over the past three years.

We would like to thank Ben Halmarick their coach for guiding our young U7 Blasters for the season. I hope they all enjoyed the experience and some may return for the U8s next year.

SEASON COMMENCEMENT

PARENTS AND JUNIORS XMAS HIT OUT

U9 Iron Cove Tigers - Team Botham

Annual Report 2020/2021

L-R:

Zach Ang, Emily Short, Jack Hebblewhite, Alex Stuart, Thomas Maguire, Jack Higginson, Raf Williams Veazey

Team Botham was a hybrid of 2020 Team Orange players, along with a number of new players, some getting their first ever taste of cricket. By the end of the season it is hard to tell who is new and who has a couple of seasons behind them.

We didn't have the greatest win record but when we did, we celebrated. Particularly sweet was winning the final match of the season as a full team, by one run; a nail biter to the end.

The team did well and had very few wides and no balls, making each match a real game. Where our fielding came together with backing up and communication, we were particularly strong and wins were a direct result of active fielding.

As the season progressed, both Botham and the competition's bowling improved significantly and this is evidenced by the amount of PPE the players invested in!

Whilst a number of teams we played showed discipline in pre-match warm up and fielding routines, Botham had its own approach, including human pyramids, stump sword fighting and body in the bag.

Most satisfying was that we played as a team. It was rare if ever that we didn't have a full turn out. By the end of the season, rather than focussing on their individual performances, the team would be actively monitoring the score, engaging with the match and supporting their team mates.

A big call out to all the parents who have helped, in particular Huw Higginson for braving it at square leg as on field umpire and Helen Davies who, maintaining a family tradition, picked up the golden pencil from Rachael Harper, to be the neatest scorer I have ever seen.

The Players

Alexander Stuart

Alex has his own style. Including the one handed glove and backward cap but this does not impact his effectiveness. He is a very strong batsman and makes good decisions and clear calls when to run and always brings home a decent set of runs. Alex is particularly good at spotting opportunities for getting in buzzers.

Emily Short

Emily has really improved through this season and is an important part of the team. In the final winning match Emily was responsible for taking wickets as well as contributing runs. Emily also deserves a bravery award as she somehow attracts some of the fastest bowlers from the opposition, but doesn't waiver.

Jack Hebblewhite

Jack is an all round great player in many respects. He is active on the field helping direct play and irrespective of fielding position seems to make it around the whole pitch during fielding. Jack has an uncanny ability to quote you the score, over which I am often dubious, but on checking he is always right!

Jack Higginson

Jack was new to cricket this season and has become an important part of the team. His all round skills have really come on and he has really contributed to our performance. Jack should be commended for bravery under fire, taking a number of painful hits from very fast bowlers but continuing to soldier through.

Nicholas Harper

Nicholas left the team prior to Christmas to go on to higher things (basketball). Nicholas was a great contributor and built upon his experience from Team Orange in 2020. Nicholas was missed from the team in the second half of the season but always is welcome back.

Rafael Williams Veazey

Raf whilst being a star in many other sports was brand new to cricket and I remember at the first training session trying to show him how to hold the bat. Raf has progressed to an important part of the team, taking a number of wickets, including the opening ball of our last full game, and putting in some great batting performances.

Thomas Maguire

Thomas is a great all round player who is very effective as a batting pair with great communication and decision making and can be relied on to bring in runs. His bowling is really maturing and is becoming one of our faster and strongest bowlers.

Zachary Ang

Zach's real strength this season has been his bowling and I suspect some off match practice has been going on. He has taken wickets that have really demoralised the competition and is always fast and straight.

Most Improved Player Award – Emily Short

All-round Good Player – Alexander Stuart

All-round Good Player – Jack Hebblewhite

All-round Good Player – Jack Higginson

All-round Good Player – Nicholas Harper

All-round Good Player – Rafael Williams Veazey

All-round Good Player – Thomas Maguire

All-round Good Player – Zachary Ang

Sean Maguire

Team Manager Botham

U8 Iron Cove Tigers - Team Punter

Annual Report 2020/2021

It was a challenging year for Iron Cover Punter as many of the players embarked upon their very first year of playing cricket. What impressed me the most was the vast improvement across the board in the basic disciplines of batting, fielding and most importantly bowling. From the very first training session where most of the players were 'throwing' the ball, they all quickly changed their actions with minimal coaching and all bowled correctly from game 1 onwards. This was at odds with some of the other teams we played who still had some 'chuckers' in their team, so I couldn't be more proud of the whole team for consistently bowling correctly and giving it their all.

Whilst it was obvious that some of the opposition teams had been around together for more than one season, the Punters showed great camaraderie and banded together exceptionally well. I saw constant signs of encouragement and support for players in every game, and that is what team sports are all about. I was particularly proud to see the team play with enthusiasm and with a smile on their faces regardless of the outcome or result. May that well continue in their future years in the game. Well done to Iron Cove Punter for an enjoyable season all round.

The Players

Zac Tauberman

Zac wins the most improved award for the season for Iron Cove Punter. Zac was one of the original 'chuckers' in the team, but quickly adapted his bowling action and bowled correctly for the entire season thereafter. Zac also improved with his focus, moving from the player "gardening" in the outfield to chasing down balls and stopping boundaries. I also saw Zac encouraging his team mates at practice, always putting in the effort and even willing to tidy up the kit bag and take this to the car. For his focus and overall improvement Zac wins the overall most improved award

Tom Griffiths

Tom Griffiths was a vast improver during the course of the season. His bowling action improved significantly and could be relied on to provide an over to challenge any batsman. In one innings he was sitting on a hat-trick having clean bowled two batsman in a row. His batting also improved and Tom managed to score a number of fours throughout the season. With continued drive and focus Tom will establish himself as a top cricketer. Well done Tom.

Max Sallway

Max Sallway is an all rounder who has a great future in the game. Max bowls left handed and bats right handed. Max was the only member of the team to hit a six this season and consistently hit fours during his innings for the team. Max bowls with pace and is an exceptional fielder having run out a number of opposing batsman. Max plays the game with his heart on his sleeve, and is focused on doing the very best for the team. Well done Max.

Enzo Dome

Enzo Dome is an all round cricketer who excels in both batting and bowling. Confidence is never an issue with Enzo and he backs himself to bowl accurately and at pace. With an increase in focus and dedication he will be a solid all round cricketer in the years to come. This was a solid first season for Enzo who contributed consistently every game with both bat and ball. Well done Enzo.

Hudson James

Hudson is another vastly improved cricketer during the course of the season particularly with regards to his bowling. He has morphed from a slow bowler with the introduction of a longer run to a consistently good performer at pace. Always handy with the bat and can be relied on to keep the scoreboard ticking over with runs and boundaries thrown in for good measure. Hudson was another player on a hat-trick ball when bowling this term. Hudson brings enthusiasm and energy to every game. Well done Hudson

Ethan Chan

Ethan is one of the more quiet achievers in the team. Ethan has improved on his bowling throughout the season, and has found a good rhythm for line and length. As he continues to develop his cricketing skills and introduces a run up he'll trouble opposing batsmen more often than not. His batting has also improved and has good future in the game if he continues to focus on his core cricketing skills. A well liked and popular member of the team. Well done Ethan

Rupert Brown

As the youngest player in the team, Rupert has improved markedly over the course of the season. As one of the original 'chuckers', Rupert consistently bowled with purpose throughout the season and took a number of wickets as a real highlight to his dedication to bowling and improving his action, line and length. His batting also improved during the season and often put his body on the line to defend his wicket admirably. With a continued focus on the sport, Rupert will evolve into a fine cricketer. Well done Rupert.

Most Improved Player Award – Zac Tauberman

All-round Good Player – Zac Tauberman

All-round Good Player – Tom Griffiths

All-round Good Player – Max Sallway

All-round Good Player – Enzo Dome

All-round Good Player – Hudson James

All-round Good Player – Ethan Chan

All-round Good Player – Rupert Brown

Andrew Dome

Team Manager Punter

U9 Iron Cove Tigers - Team White

Annual Report 2020/2021

L-R Oliver Sim, Anton Mar n, Sachin Gupta (coach), Oliver Ba ersby, Connie Rawson, Alexandra Chris e, Amani Azzimi, Arjun Gupta

A fantastic season! Most of the kids had never played cricket before, the coach had never coached before, and the scorers had never seen a score-sheet before either. But we all came together as a team, the kids improved significantly, everyone had loads of fun, and we ended up winning most of our games in the second half of the season.

Bowling is the hardest part when one has never bowled before. We started off with almost 2-3 wides or no-balls every over. We finished with less than 10 for the whole game. Most improved were Connie, Anton, and Oliver S. Arjun had a good bowling action, and improved his pace significantly, while Amani, Oliver B and Alexandra started bowling much straighter.

Batting at this age is about seeing, hitting and running – that’s multi-tasking! This was another area where the whole team improved significantly. Oliver S was our best batsmen at the start and the most energetic, but both Arjun and Anton managed to catch up, and the three of them scored most of the runs for the season. Was great to see Oliver B, Connie,

Amani, and Alexandra getting consistent runs towards the end and even hitting a few boundaries.

Running between the wickets was fun to watch. Some ran faster than others, and some shouted more than others. Connie and Alexandra were always loud with their “stay” and “run” calls, Oliver S always ran fast (and almost to the boundary every time), Amani and Alexandra ran with their bats in the air to keep the fielders away, and Arjun and Oliver B always tried for two runs and loved diving to avoid getting out.

Fielding was mixed, with some really good games, and some not so good. They were always too excited to chase after the ball and try to smash the wickets. They succeeded a few times, which is great for confidence, but we also gave away runs. Oliver B and Connie improved the most.

Cheering and supporting each other was another great team effort. In the first few games, hardly anyone talked or cheered each other on. Subsequently, it went to the other extreme – we had to tell them to stop celebrating and get back into the game. Connie, Oliver S, Arjun and Anton were the loudest, but Oliver B and Alexandra got into the action later on too.

Overall, an enjoyable and a successful season for all children and parents. A special thanks to Cam (Anton’s dad) who happily scored for us every week, and also to Petra (Alexandra’s mum), Jill & Adam (Connie’s parents) for chipping in. To David (Oliver’s dad) for helping with set-ups and player rotation, and Jaeger (Oliver B’s dad) for helping with training on Thursdays. Thank you everyone else too for driving your kids around and keeping them interested.

The Players

Alexandra Christie

Super positive attitude, commitment, and willingness to keep trying. Her batting improved a fair bit along with her running between the wickets. Bowling picked up a lot too, with a significant reduction in wides. A strong team player, and always cheered her team-mates with a high-five and a “good job”!

Amani Azzimi

A lot of improvement in both her bowling and batting. She hardly bowled any wides towards the end, and even managed to hit a few boundaries! She was quiet on the field, but always competitive whenever she batted.

Anton Martin

Significant improvement all around, and one of the most improved and consistent players in the team with his left-hand batting and bowling. Positive and competitive attitude and always wanted to “take revenge” whenever anyone got out! Very proactive in asking to bowl and bat first, and fielding and throwing was always impactful.

Arjun Gupta

Another very consistent and improved performer for the team. Much improved batting towards the end and was able to find gaps and hit boundaries on both sides of the wicket. Bowling pace improved a lot too, and good fielding and running between the wickets. Always felt a bit of extra, unwarranted, pressure from his Coach-Dad!

Connie Rawson

The most improved all-rounder during the season. Fantastic bowling and fielding effort, and always smiling! Every time she bowled straight, she nearly had a wicket. Tried to set a target for herself every over “I want to take a wicket this over”, and she consistently delivered. Batting, she went from being a defensive test-player, to a 50-over one. Great fielder too.

Oliver Battersby

Strong improvement in fielding and batting – reliable run getter in every game with his singles and twos. Initially wanted to field and catch with just one-hand! As soon as he started using both hands, he became very effective in stopping runs and over-throws. A strong team player and always willing to wait his turn.

Oliver Sim

A consistent match-winner! Hit loads of fours and sixes for the team, and pretty much scored runs of any ball that landed on the pitch. Remarkable improvement in his bowling in the last few games – both on length and pace. High energy player, and even provided live commentary while playing (for both sides).

Most improved player award – Connie Rawson

All-round good player – Alexandra Christie

All-round good player – Amani Azzimi

All-round good player – Anton Martin

All-round good player – Arjun Gupta

All-round good player – Oliver Battersby

All-round good player – Oliver Sim

Sachin Gupta

Team Manager Team White

U9 Iron Cove Tigers - Team Gower

Annual Report 2020/2021

Team Gower was a mixed team of experienced players and newcomers, boys and girls. The team worked to gel once they got the hang of things, there wasn't a poor batter, bowler or fielder in the team

Our ethos was to improve as a team and as individuals, which we certainly achieved. Some of the games we played were against clearly better sides, in terms of coaching and skills. However, everybody took this as an opportunity to learn.

Not only did our cricketing improve, but so did some of the teams abilities to do cartwheels. Quite often players would move fielding positions between over and treat everyone to their gymnastic skills. Bravo!

The team off the pitch were amazing too. Mark Wood's encouragement of all the players and vocal efforts were important, especially relaying information between umpires and scorers. Mark Mathews landed the role of scorer to great aplomb. Terry was our main umpire, providing all players with on field coaching and never getting a single call wrong. Luke provided some much needed match day coaching and Erica took on de facto leadership around training days and understating how to interpret the online resources, including informing us all where to go. Thank you all, but special thanks to Erica.

The Players

Digby Jones

One of the youngest members of the team, and one of the most fearless. Batters try to sneak a cheeky extra run at their peril when he's fielding. He perfected the art of daring the batter to leave their crease, as he always backed himself to hit the shy. A player of some accomplishment, he has a lot of cricket in him.

Eloise Sorensen

She faced some hostile bowling throughout the season, taking more than one rap on the knuckles. Her response was to take to the bat and use that as her counter weapon. I suspect that next season, if her bowling continues to improve at the same rate, batters will not fancy facing her deliveries.

Finn Thorogood-Cooper

A steady season where he improved his batting technique and stubbornly refused to give away his wicket. A good communicator as a non-facing batter, his partnership with James at the crease was almost telepathic. Almost.

Georgia Jones

One of the feistiest members of the team, a great all rounder that never likes to be bettered by anyone, especially her brother Digby. Will be an awesome competitor next season and will only get better and better.

Harrison Wood

One of the most accurate bowlers with a unique, looping style, he came to the game with fresh eyes. Having never played before, he had to pick the game up quickly, which he did. He ended up being one of the most popular team mates, providing unexpected wickets and runs when his team mates needed some.

James Matthews

A classy sophomore season for one of the talents of the side. Shows a sporting touch to his game with both bat and ball. Always in a cheery mood and nearly always 5 minutes late for the game too! A great team mate and one of the side's most popular players.

Jemma Hartley-Smith

Our only leftie, this southpaw played best when opening the innings and bamboozling the opposition bowlers and fielders. Build a solid batting partnership with Harrison and very vocal in the field. Great to have on the team.

Sasha Green

A dynamo of a player, she is a naturally gifted sportsperson who would probably excel in any given sporting discipline. Let's hope she continues to use her talents in cricket! An excellent all rounder, a match winner and somebody that people want to play with.

U8 Iron Cove Tigers - Team Lara

Annual Report 2020/2021

Team Lara was made up of 6 Year 2 boys who are all great mates. All 6 players are athletic and sporty, which put our team off to a great start. We won more games than we lost, but the most important thing was that the boys enjoyed playing every game. In fact there was huge disappointment and even tears when some of our games were cancelled throughout the season and due to rain!

A huge thanks to Justyn for being our scorer. Thank you also to Alice, Chris and Dave for volunteering to umpire. And to all the other parents and grandparents for joining in training and for driving the kids to training and to games. A highlight of the season was the very competitive Kids Vs. Parents game at our final training session, which I'm pleased to say that the parents won.

All 6 members of Team Lara should be very proud of themselves for their excellent sportsmanship this cricket season. It was a fun and enjoyable season for everyone.

The Players

Ari Williams Veazey

It was soccer superstar Ari's first season playing cricket and he improved so much over the season. He is now a fantastic batter, bowler and fielder and Team Lara were lucky to have him play for them this year. Well done Ari.

Tom Hebblewhite

Tom was our star bowler. In his final game he bowled an amazing hat trick that impressed everyone watching the match. Tom has a great future in cricket and we think he even has the potential to wear the Baggy Green.

Nate Ang

Nate was the smallest yet most enthusiastic player in the team. He is a great all rounder who excels at both batting and bowling. His passion for the game and his fellow team members is evident to all and Nate can always be relied on to add runs to our score. Well done Nate.

Daniel Badger

Daniel is an athletic all rounder. It was also his first year playing for Team Lara and he quickly became a key member of our team. His bowling is on target and he is also great at hitting the ball, making good calls and racking up the runs. Well done Daniel.

Will Stuart

Will is a good team player. He is a strong batter who scored lots of runs in games. Will was always enthusiastic and focused on trying to win the game for Team Lara. Well done Will.

Patrick Maguire

Patrick was a very important and well liked member of Team Lara. He has a strong bowling action but is also very good at all other aspects of cricket. Patrick has a great future in cricket. Well done Patrick.

U8 Iron Cove Tigers - Team Perry

Annual Report 2020/2021

This was the first season playing Master Blasters for all the players in Team Perry. They were at an age that all but one of them could have been doing Junior blasters but many of them had done that before and wanted to play 'proper cricket' like the big kids. They managed to hold their own against much older, bigger and more experienced players and tried not to be intimidated by some of the fast bowls they faced.

They learnt so much this season from the initial game when the first kid to hit the ball then started to run around the cones on the boundary (as Jamie had asked them to do at their first training session) rather than to the other wicket. By the end of the season our bowling was much more on mark with fewer wides or no balls and they had learnt to try to throw the ball at the wicket or to one of their team mates rather than running it up. I am so impressed by how much they all improved. It was great to see how much they enjoyed spending time together both on and off the field and by the end of the season they had learnt to keep their play wrestling for before or after the game - thanks partly to Toby working out the best placement of players so that the wrestling pairs were on opposite sides of the field. It was great to see them cheer each other on when they got a run or a wicket or a boundary and to

see their faces light up when a grown up told them they had done a great job fielding/bowling/batting.

We've had a wet Summer but considering how much it has rained we only had two matches cancelled and the kids did a great job of continuing to play on through several wet games - although the rain was much better than the ultra hot game we had early in the season.

By the end of the season we had convinced the kids to choose to field first (or in their words to bowl as that was their favourite part of fielding) as we learnt early on that they struggled to maintain focus on the field for the second half of the match. But it was a hard thing to learn as all of them wanted to choose to bat if they were given the chance.

Our team was named after Ellyse Perry which may seem odd given that the team were all boys at the start of the season but she is an inspiration to all cricket players. The team started with only six players which was a challenge if someone wanted to go away or became unwell so we were grateful when Emelia and Jacob joined and they both proved to be an asset.

Thanks to Toby for being a brilliant coach, umpiring all the matches and for training the kids each Thursday night and for being so patient when some of the kids struggled to maintain their focus and enthusiasm.

Thanks to Erica for scoring most of the matches (and figuring out most of the time whether it was Spencer or Alistair hitting the ball as it was almost impossible to tell from a distance) and to, Nigel, Ben and Nick for helping out when Erica wasn't able to.

Thanks to Marieke for doing the coffee run during many of the matches.

Thanks to all the parents for supporting your kids and giving them the opportunity to try out cricket.

Hopefully they will all decide to play again next year and the competition will be a bit closer when they are no longer the youngest, most inexperienced team in the competition.

I asked the kids on the team what they liked most about cricket and their answers are in italics below, if the answer had already been given I probed them to think up something else otherwise each one would have had the same response ie the parents versus kids match:

Spencer Bradford

Best part of cricket - the parents versus kids game

Who wouldn't be proud watching their Dad, the coach, hit a bunch of sixes during the parents versus kids game so I let Spencer be the one to claim this as his favourite part of the season.

Spencer captained our last match and won the toss and made the great decision to field first. He has come on leaps and bounds with his bowling, fielding and batting and I'm sure his Dad is super proud of him.

Ray Wern Ho

Best part of cricket - Batting coz I can do lots of smashes

Ray stayed focused on the field and at training and by listening to tips from Toby and watching his big brother and cricketers on TV he honed his techniques. He showed how stoic and brave he could be during our final match when a ball accidentally hit him in the face but after a quick cuddle from Mum he went back on to complete his over. Ray Wern's ability to watch and learn and his focus and determination meant that he improved the most this season and earned himself the most improved award.

Fergus Jones

Best part of cricket - When they try to hit you with the ball but you hit it with your bat and they can't

Fergus has his own style including wearing his cap on backwards or even over his face which could make fielding challenging but he managed some great fielding this season and helped stop plenty of fours. His bowling and batting were also improving and he is sure to make a great all round cricketer.

Lewis Kyefulumya

Best part of cricket -Throwing the ball (when bowling)

By the end of the season Lewis had perfected the 'ready position' and was doing a great job fielding. He was one of our star bowlers and batsman and it was great to see his bowling technique improve although I did love watching him early on when he was so enthusiastic with his bowling that his body often followed through the air after the ball.

Arthur Short

Best part of cricket - getting a four

Arthur's performance improved through the season to the point that he managed to bowl a fantastic wicket against the parents at our final training session. By the end of the season he worked out he is a right handed bowler and a left handed batter. It was great to see him active in the field chasing down balls. He often put his body on the line to defend his wicket which led to the purchase of a box but he was worried it would slow him down running so he decided against wearing it.

Alistair Sorensen

Best part of cricket- Batting when I get to hit 4s and 5s and 6s.

Toby believes Alistair is our spinner in the making. With a continued focus on the sport I'm sure Alistair will become the fine cricketer that he knows he can be and the cars in the street 100m away really will be at risk of having their windows smashed.

Emelia Watson

Best part of cricket - Batting because I can hit very far

Emmie was our best performing player this year and may well end up being the next Elyse Perry. It was great to have a talented female player on the team for the younger boys to look up to. One of the highlights of the season was when she caught and bowled one of our opponents. She was always enthusiastic both at the training and the matches and remained focused on doing her very best for the team. We wish her well next year when she goes up to the Under 9 team - she will be missed.

Jacob Watson

Best part of cricket - Watching my team bat well

Jacob is a great all rounder and got some excellent runs for us as well as doing his best to get as many wickets as he could both with his good bowling and his enthusiastic fielding. I was so impressed when he told me his favourite part of playing cricket was watching his team succeed. With continued drive and focus I'm sure Jacob will become a great cricketer like his Dad and I'm sure will make an excellent captain.

U10 BLACK TIGERS

The U10 Black Tigers had a good year of development in our cricket throughout 2020-21 after we made the decision to move up a year to the U10s. Whilst this was like throwing the kids into the deep end, they performed exceedingly well considering the opposition that faced us during the season.

The competition was fierce when you consider that a lot of the kids from the opposition were older and well coached in techniques and more experienced with their fielding and batting.

Irrespective of this, Peter Kav and I spent a lot of time working on our bowling and fielding, and the improvement overall made the difference in that we were reasonably competitive on the day. We had a couple of close games. Unfortunately, we won only one game during the season, the improvement in the team was remarkable though, which could be seen in their bowling and fielding. Much work will need to be done on getting their batting to a higher standard for next season.

Something can be said about pitting the players against a higher grade to improve their abilities. This was certainly the case with the boys and girls in this team.

Like last year, as the season progressed, we started to bat well in partnerships and our bowling was remarkable for such a young team.

We finished well for the season coming 10th out of 12 teams. Not bad for a young team and some new rookies.

The boys & girls played with great spirit, always encouraging each other.

In fact the girls could be said to have outshone the boys in performance with Alexis Kav being an outstanding player of the team with the ball.

A great deal of thanks needs to go to Peter Kav (assistant coach) for their efforts throughout the season and all the other parents that pitched in to assist each week to make this team the success it has become. We will be back next year again to the U10s again.

**ANNUAL REPORT PARK SENIORS
A-GRADE / (B-GRADE)
“SPIRIT OF CRICKET WINNERS”
Inner West Harbour & CNSW Churches
Joint Competition.**

L-R: (Fill-in); Zac Cowan; Alex Henderson; Sanjeevsn Aginiswaran; Liam Scott; Andrew Ferguson; Warick King; Preston Davies; Andrew Lopez; Alex Kennedy; Nick Schatz

After an intensive pre-season of training, things were looking good coming into season 2020/21. A solid core group of players from the previous season and some veterans of the club were joined by some newcomers. The turnouts at training across the first few months was very positive. All the boys were putting in the effort and it was looking to be a strong season. The first half of the season was dominated by the weather with the majority of games being played with some form of rain – sometimes torrential. The B-Grade team really stepped up in their bowling keeping most teams under 200 and many between 150-180. Ultimately it was the batting that proved to be the difference in many tight games. Mitchell Smith and Michael Lee became the number 3 and number 4 locks for the first half of the season producing a number of strong partnerships. The team came within a couple of overs or less than 10 runs on a number of occasions before finally securing their first win towards the back end of 2020 with an impressive display from Dave Taifalos and Uzair Sarfaraz, who got off the mark with three sixes from his first three balls! Following a number of injuries in B-Grade, it became clear that to continue the season, it was best for the club to combine their best players across B-Grade and A-Grade, forming a new A-Grade team.

The new A-Grade started off 2021 strong with a very impressive fielding performance against Gladesville Sporties. With no fielding errors and some fantastic catching, the team were able to keep the fire power hitting of Sporties to under 200 runs. While there was some good performances with the bat, the team was unfortunately unable to keep up the consistency to chase down the total. This continued largely throughout the season. For B-Grade, the leading run scorer was Michael Lee with 157 runs at an impressive average of 39.25. He was an unfortunate victim of injury in the first half of the season. Second best was Mitchell Smith with 137 at 19.57 and third was Uzair Sarfaraz with 126 at 21.

Following A and B-Grade combining, the leading scorer across the season for A-Grade was Nick Schatz with 208 runs at 18.91 followed by Preston Davies with 177 at 16.09 and Alex Henderson with 156 at 12.00.

In the bowling department, Mitchell Smith was the top wicket taker for B-Grade with 6 wickets, followed by Muhammad Bashir with 5 wickets. In A-Grade, Alex Henderson was top wicket taker with 12 wickets at 31.50, followed by Warick King with 11 wickets at 30.55 and Sanjeevsn Aginiswaran with 7 wickets at 17.86.

While it was a tough season there was some stand out performances, a lot of glimmers of future excellence and some real passion across the team. There was a strong social bond at the end of each game and the team kept getting better and better throughout the season. If a number of close results had gone the other way, I'm sure the team would have capitalised on that success.

I would like to take this opportunity to thank those players that helped me with the team management each and every week, those who always stayed around to assist with the closing of the ground, and to each of you for turning up each week and putting in 100%. Shout out to Nick Schatz for leading the A-Grade team for the first half of the season. Thank you to the Team Manager Andrew Lopez as well for being very diligent with putting the scoring through MyCricket every week. Also, a big thank you to Terry Kelly for all his help making the competition possible, as well as ensuring we played at our favourite local ground, Callan Park, frequently throughout the season.

Looking forward to only getting better next season.

Jack Kerr

B-Grade / A-Grade Captain

ANDREW FERGUSON BOWLING

**A GRADE WIN THE INAGURAL SPIRIT OF SPORTSMANSHIP AWARD
PRESENTED AT THE JOINT CHURCHES NSW-INNER WEST HARBOUR
PRESENTATION WITH STEVE WAUGH AS GUEST.**

Iron Cove C Grade Report 20-21

Standing L-R: Noah Swalger-Sachs, Jimmy Martin, Luke Fife, Hal Ashburner, Mehran Chatra, Sandeep Kapoor, James Cochrane-Burgess, Joshua Thomas, Will Gardner, Manesh Veetil, Alex Cole, Clinton Thomas, Craig Zamek.

Front L-R: Alex Martin & Tom Rigby (Capt.)

Overall, the 20/21 season was a successful season for the C grade side, finishing only one win away from playing finals. This was a vast improvement on the previous season and something that can be built on in the years to come.

The season started off strongly, with some solid wins over the teams who eventually finished at the top end of the table. Unfortunately, due to significant injuries from some of our more consistent and committed players, this resulted in some tougher results.

During pre-season and the first month of the competition, the side had a very solid commitment to training and games on the weekend. With injuries and leading into the Christmas break, we started to see a decline in numbers which resulted in a core group of 5-6 players who made the commitment week-in, week-out.

Towards the end of the season there was resurgence in numbers to training, resulting in some very quality cricket being played at the back part of the season.

There is no indication yet of the number of players planning to return for the upcoming season. However, the sooner correspondence to players is distributed, the better chance the club has of retaining and recruiting new players. A solid pre-season will aid in building skills and a club culture that can lean on the foundations of previous years. It is also extremely vital that if members of the club

or teams are going to volunteer for positions, that they fulfill the requirements of that role. This is what drives the club and creates an organisation that people want to be a part of and go out of their way to assist.

Tom Rigby.

The Tigers Song

***Oh, We are the Tigers from Tigerland,
A fighting fury, In any weather you will hear us Growl,
To bowling fear with lightning bolts,
And hitting balls with fury,
And if we are behind we'll never bend,
Well fight and fight to win,
Oh we're from Tigerland,
We're never beaten till the final over's bowled,
Like the Tigers of old,
We're strong and we're bold,
For we are the Orange, the White and Black,
Oh, We are the Tigers from TIGERLAND,
Oh, We are the Tigers from Tigerrrland.***
