AFFILIATION WITH THE DISTRICT.

Iron Cove's name was derived from the iron bark trees that dominated the District, when the first settlers encountered the area. It essentially encompasses the fact that the inlet that borders, Drummoyne, Five Dock, Rozelle, Haberfield & Balmain, which encapsulates the direction the Club wanted to be known.

The Club's name "Iron Cove Tigers", was chosen for its affiliation to the area and the old Balmain Tigers Football Leagues Club & the Balmain & District Cricket Club (Tigers), now Sydney CC. The Club also incorporates the Balmain District in its secondary name; Balmain & District Tigers.

The Committee were determined to be known as "**Tigers**" and be recognised as a Community based Club. The "Tigers" want to get back to the local area, support local businesses and create a true Club environment for Juniors and Seniors alike.

The Club will also focus on training and playing on local grounds in the Inner West. Developing Junior talent and providing a pathway to Senior Cricket.

The Club prides itself on its core values that are our motto, being;

RESPECT-INCLUSION-COMMUNITY.

THE DISTRICT ALSO HAS A LONG HISTORY WITH OUR FIRST NATIONS PEOPLE IN THE SYDNEY DISTRICT.

The Club recognizes the Wangai people that originally inhabited the country now known as Leichhardt Municipality. The history of Aboriginal people in the Sydney, Leichhardt area is, without doubt, a hidden one. What we know today as the Sydney Municipality & Inner West Municipality, was once the area inhabited by the Wangal band of the Dharug (Eora) language group.

The "Eora people" was the name given to coastal Aborigines around Sydney - Eora means "from this place" - local Aboriginal people used this word to describe to Europeans where they came from, and in time the term became used to define Aboriginal people themselves. Wangal country was known as wanne and it originally extended from the suburbs of Balmain and Birchgrove in the east to Silverwater and Auburn in the west. We pay Respect to their forebears and those current peoples.

IRON COVE FROM TIMBRELL PARK, ROZELLE

PRESIDENT'S REPORT

Hello players, supporters and fans! After taking 12 months off official presidential duties to raise my son, I was excited to rejoin the club for season 21/22. Having ridden the 'covid wave', it was exciting to be back with a full season and welcome new sponsors and players to the club, from juniors through to seniors.

Part of the ethos of this young club is to focus on our junior cricketers. We wish to provide a pathway from juniors to seniors cricket. I am always proud to drive past a ground on a Saturday morning and see our Tiger 'cubs' in their black and gold, wearing their colours proudly! This season saw some great coaches spend time with the Tiger cubs at our training ground at Callan Park. Speaking to the parents, the coaches efforts were highly valued and the training well-received. We will be continuing to bring highly-skilled coaches to train our juniors in season 22/23. In addition to these specialised coaches recruited by club secretary Terry Kelly (thank you Tez!), parents of the Tiger cubs also provide much appreciated support and guidance to their teams throughout the season. A special shout out to Clubperson of the Year Andrew Ferguson for his continued support and enthusiasm. Andrew has two children who play for the Tigers and he himself is a Tigers B-Grade player!

Meanwhile, our B-Grade team had a rollercoaster of a year. I was fortunate to be involved in a tremendous run chase against a very confident Cool Runnings team and saw Preston Davis score a century (124), leading to a terrific Tigers victory - one for the history books, chasing down 246 with 4 balls to spare. Overall the team had 4 victories after initially struggling with player numbers - something the club is looking to address for the upcoming season. Other highlights for the club included the 'double' over the Cool Runnings team, who were the previous season's Premiers, which started a 3-game winning streak. We know with consistent playing numbers this team can achieve great things.

Our C-Grade team made history this season, making the club's first ever Grand Final. In a match that was on-again off-again due to the inclement March weather, the Tigers went head-to-head against minor premiers Concord Briars, ultimately losing the match with a few balls spare. Needless to say the feeling amongst the close-knit squad was both of disappointment and a desire to go 'one-up' in season 22/23. James Martin was in terrific form with both bat and bowl, culminating in

receiving the overall batting award at the annual Inner West Harbour gala dinner, with the award presented by none other than Kerry O'Keeffe. The C-Grade team were strong throughout the season, finishing the minor premiership in 2nd place.

The club is determined to be bigger and better in season 22/23 - which means a strong recruitment drive for both sponsors and players in the current off season. We have fantastic existing supporters of the club and we hope they will continue their relationship with the Tigers for many seasons to come. We were proud to present our sponsors with a framed Tigers playing shirt and it is great to see them adorning the walls of their local business. You can all support us by supporting them;

- Simone Azzi of Belle Property
- Drummoyne Sailing Club
- Debt Sale Brokers Australia

Also a thank you to local microbrewery Springside Brewing out of Rozelle who supplied the seniors a few cases of beer!

The Club continues to cement its viability by encouraging a social aspect to the club. All players, parents and friends are welcome back to the club house after training and after the game. Having our own club house remains on our long-term agenda as we scale and grow.

Lastly, I would like to thank my fellow committee members for their ongoing support. Warrick King (Vice-President), Terry Kelly, Mark Waugh (Treasurer), James Burgess, Will Gardner and Manesh TCV.

Best of luck for the upcoming season to all our club members.

Alexander Saad
Co-founder and President.

SECRETARY'S REPORT 2021-22

Our Fourth year certainly had many challenges, not only the continuation of Covid-19 but the weather patterns changed nasty and the season was pockmarked with games cancelled due to unusable grounds.

Considering our push at the begging of the season to bring back three teams, that was not to be. Covid-19 had decimated our players and many a Senior game had to be called off due to players catching the virus and needing to isolate.

B grade had a mixed season again, but looked for a time they might be finals candidates. But it was not to be due to player numbers not be realized when required.

C grade on the other hand went from strength to strength during the season. For the first time in the Club's history, reached the final against Briars. The team was very competitive on the day but fell short in batting, especially when James martin was run out. Irrespectively, the team showed great comradery during the season.

The Juniors, lost a team prior the season to the Leichhardt Wanderers, which was a pity, but the Juniors grew from 5 master blaster teams, to three Under 10 and 3 Master Blaster Teams.

One feature of the season was the drive by the juniors to have professional training for the players rather than have the coaching done by parents. The Club employed a company by the name of MYPec, who hail from Penrith, run by an ex CNSW and NSW player, Josh Lalor. Josh, provided us with two of Penrith Grade Club's 1st grade women players to do the training. it was a great success and certainly improved the performances of the players. I would like to thank Josh and Sam Arnold, one of the ladies who came down each week in providing an excellent service to the Club.

The Club's intention is to formalise this initiative with a full season of training for the Club, both teams and individuals alike. This will mean having to increase the

subscription Fee for the Club, but I am sure the players and parents alike will see the benefits of this course of action.

So, coaching is the key to future success of the juniors as well for the Seniors as we are considering specialized assistance for them as well.

The Club will also embark on initiatives to provide more services for the juniors and Seniors alike.

One feature for the Club moving forward is our connection to the district around the Inner West especially the area that gives us our name. Iron Cove. Waterfront Callan Park, is and has been since our inception over Five Years ago an important ground for our Junior and Senior Teams to operate from & from where we can play the sport.

Over the past four years we have used the nets at Waterfront, but restricted to one net on a Thursday. This has not been conducive to allowing our Juniors and Seniors to practice and learn the sport. Over 50% of our players both Senior and Junior, live in the Inner West Council LGA. We feel that a fresh look at our usage of the ground will increase this coming season from our approaches to Council.

Covid-19 is still rampant in the community and we hope that it will not impact us as badly as it did this season.

The weather also bore a significant effect on the cricket season and it is predicted that it will occur again this coming season.

As I reported last season's report;

"Recruitment will be an issue therefore for the upcoming season 2021-22 both for Juniors and Seniors. A perennial problem for all Cricket clubs. For the Club to survive it needs dedicated people to step up to the crease and look towards a long bat with the administration of the Club for it to succeed. "

"The Club will require strong leadership over the next few years and if successful to maintain that growth into the decade. Strong strategies with cement that growth, otherwise, Iron Cove may a short run thing."

Finally, I would like to thank my fellow committee members that have assisted me in making the club run smoothly. Alex Saad as President, Warwick King Vice-President, James Cochrane-Burgess as Club Captain.

Special mention to an old friend over the years in Cricket, Mark Waugh, who is moving to France for the next few years. Mark has been our treasurer in the new Club and supported us in our endeavors. Mark has been a great friend to the Tigers and was instrumental in helping me bring about the new Club. I and the Club wish him well, but look forward to seeing him again in a few years.

One person the Club saw as assisting in driving the Club into the future, is Andrew Ferguson, is also leaving us to move to Melbourne. Andrew was the recipient of the coveted Senior "*Spirit of Sportsmanship*" award for the season. Not only for his work in Captaining B Grade from time to time, but for also forming an U10 team. That team had within the players Andrew Symonds Son, William Symonds.

Also, I would like to thank two ladies that helped drive the Juniors this season. Carolyn Maguire, who I have to say, kept me on my toes, as well as Laura Vidmar,

who has suffered a great tragedy in her life as ex-husband and Australian legend Andrew Symonds, died this year in tragic circumstances. The Club's heartfelt sympathies go out to her and her family. Both these ladies received the Club Person of the Year Award.

C GRADE TIGERS

RUNNERS UP

ROBERT CALDWELL / HAROLD F. CLINDINNING CUP

C Grade Report 2021/2022

The 2021/22 season for Iron Cove C Grade was a season of great progress yet with a bittersweet ending. Having achieved the first Grand Final appearance for the club, ultimately, we fell agonisingly short and ended up as C-Grade Runners Up. Despite this, I can say that this was one of the best team efforts I have ever played in, everyone contributed to our success. With solid attendance at training and having 11 keen players each week, the foundations for success were well laid. The season began under the stewardship of Steve Mohr who led our imperious fast bowling attack along with Alex Cole, Vivek and Abbas. Our batting line-up on paper appeared slightly weaker than previous seasons due to the departure of some players. The big hitting of Mehran, combined with the all-rounder skills of Manesh, Alex Martin and Abbas and wicketkeeper James provided the runs. Contributions by Jerry, Pete and Hal were also valuable. After a middling start to the season including a first-round tie, we were joined by Jimmy Martin our star. Averaging 50 for the season, Jimmy provided runs as well as taking many wickets with his off breaks. Steve however went down with a shoulder injury about half-way through and I took over the captaincy.

However due to the strong foundation and game plan developed, we were able to finish second in the regular season table.

The Finals were severely impacted by rain and as a result we progressed to the grand final due to our position on the table. In a close match we were sent into bat on a wet wicket. Posting only a moderate total with Mehran the star with a half century, Concord were able to chase down the total with a couple of overs to spare. Although a devastating result, the guys are looking forward to next season and going one better.

Jimmy Martin won the awards for best batting and bowling, Pete for best fielding and Hal and Will jointly for being the best club men. In addition, Jimmy won the batting award for the C-Grade Competition! It has been a pleasure to be involved with the guys this season and I hope we can improve and get our first trophy next year!

JUNIOR BLASTERS AT TIMBRELL PARK

The foundation for any sport is its juniors and our junior blaster program is no exception. Held each year at Timbrell Park in Five Dock it has grown over the past four years.

We would like to thank Gurleen Karloti who came along to Coach under difficult circumstances with Covid and then the weather that interrupted many a session last season.

Thanks for guiding our young U7 Blasters for the season. I hope they all enjoyed the experience and some may return for the U8s next year.

U9 LARA TEAM

Team Lara had a fantastic season this year! While the weather was pretty awful this season and resulted in a lot of cancelled games and training sessions, when Team Lara did get to play they always played exceptionally, and most importantly, they had a lot of fun! They were an amazing team last year and they have improved even more this year.

All 6 players that played for Team Lara last year returned this year and we had 2 new players join our team. All 8 players are great mates on and off the field and this was clearly evident by the team's great camaraderie and the wonderful team spirit they displayed.

A huge thanks to Justyn, Dave, Alice, Chris and Byron for helping out with the scoring, umpiring and coaching. Thanks to all the parents and grandparents for everything else that is involved in getting the kids to and from training and games every week.

All 8 members of Team Lara should be very proud of themselves for their excellent sportsmanship this season. It was an enjoyable season for everyone.

THE PLAYERS

Lily Bekker

Lily was new to our team this year and quickly became an important member of the team. She is a great all rounder who excelled at both batting and bowling. Well done Lily!

Sam Wahl

Sam was also new to Team Lara this year and another great addition to our team. Sam is a fantastic batter and all the other members of the team were always wanting to be in a pair with him. Well done Sam!

Tom Hebblewhite

Tom is one of our strongest team members and also one of our most accurate bowlers, who took a lot of wickets throughout the season. Tom is a consistently excellent player. Well done Tom!

Nate Ang

Again this year Nate was among the most enthusiastic players on Team Lara. Nate is a great all rounder who scored lots of runs and also took wickets. Well done Nate!

Daniel Badger

Daniel is a strong batsman and an important player for Team Lara. Daniel can always be relied on to bring in runs. Well done Daniel!

Will Stuart

Will is a great team player. He is good at both bowling and batting and wonderful at supporting his team mates. Well done Will!

Patrick Maguire

Patrick is a formidable batsman who makes good decisions and clear calls on when to run or not. He is also great at fielding. Well done Patrick!

Ari Williams Veazey

Ari is an athletic all rounder who is good at all aspects of cricket. His bowling was especially impressive this season. Well done Ari!

U9 PERRY TEAM REPORT

The kids on Team Perry enjoyed the cricket they got to play this year. It wasn't an easy season disrupted by COVID and the wettest summer in Sydney since records began.

At the start of the season we weren't sure if Team Perry was going to exist as only Arthur and Lewis decided to continue on from last year. But they were joined by an enthusiastic crew and at one point the numbers swelled to 13 and we almost divided into two teams but the numbers reverted to 10 and the decision was made to stick as one team.

Maddie did a fantastic job captaining many of the matches.

We were lucky to have Terry step in to coach the team personally and the team benefited from his knowledge and experience.

The kids improved through the season and all the parents witnessed some fantastic catches, wickets and runs.

Thanks to all the parents who took turns scoring and training the kids on the sidelines and for supporting your kids and giving them the opportunity to try out cricket.

Let's hope next season won't be so disrupted and Team Perry will no longer be the youngest in the competition so with all the skills they have gained this season they may be able to experience the joy of winning...although we all should remember it is not about winning but the joy of playing the game.

Cheers,

SARAH SHORT

AWARD PRESENTATION

LEWIS & ARTHUR BATTING

U9 TEAM PUNTER

My first year coaching this awesome crew of mates, which brought us many laughs and highlights throughout the year, they all welcomed myself, Zac and Jude in with open arms which made it so much easier for Zac and Jude in their first year of cricket. All players made a massive contribution to the team being it scoring runs, taking a wicket, catch or even creating a run out.

Each training session and game there was some great smiles and banter between the boys and all happy to share roles as some games we had 9 players. Every game we were competitive which I believe we went on winning streak of 3 games in a row during the year. All players improved greatly with their bowling, batting, running between wickets and the understanding of backing up when in field.

Thank you to Dave and Andy for scoring and teaching me the rules of U/9 cricket and I learnt pretty quick how competitive some teams can be and to always have a back stop in this age group.

Keep together boys, with same level of enthusiasm and excitement to play cricket your journey moving forward in cricket will teach you plenty and create long time friendships

PLAYERS

Tom Griffiths - Tom was the go to man with bat and ball, Tom would usually open the

bowling either taking a key wicket or bowling great line and length to reduce the runs whilst make handy runs when batting. He made a top score of 24 runs . Great season Tom

Zac Roberts - first year player of cricket, the boys welcomed him and made him feel like an important part of the team. Zac had never bowled before his first training session and loved to hit everything over cow corner. Thanks to Dave whose 2 minutes of bowling coaching with Zac to teach him the “eat the apple “method. Zac has created his own action where he could land most ball on wicket when bowling and becoming the leading wicket taker with 5 wickets. Zac did learn to play on both sides of wicket when batting Zac was voted by 3 coaches as 2021/22 U9 Punter - Most improved player. Congratulations on great year Zac, keep “eating the apple “down our hallway, on the way to school and in all shopping centres.

Jude Rose- Another first-year player with Tigers and Punters, Jude joined us a couple of games into season and made handy contributions with bat and ball. Jude is our “Warney”, blonde hair, runs in and gives the ball a rip whilst scoring some valuable runs in the middle order. Jude was always looking for a quick single which kept his partner on their toes as wanted to run at all times. Great to have you in them team Jude, never stop turning those leggies as we all can’t be fast bowlers

Max Sallway - left arm bowler, right hand bat, loves a pull shot and used it to great effect being our leading run scorer with 91 runs. His left arm bowling would be one of the fastest and consistent with line and length picking up crucial wickets. Max’s passion and pride in his cricket is evident in each game and his highlighted by his ability to be leader in the team not only by how he plays but his willingness to support his team mates in offering support in all aspects of the game including the tricky skills of backing up and running between wickets. In consultation with other coaches Max has been awarded the 2021/22 U9 Punters Best and Fairest Award for all the qualities I have mentioned above. Congratulations Max on an awesome year!!!

Zac Tauberman- Zac has the swagger about him each team needs, he portrayed the image “it’s all good coach I got this “. We really worked on his bowling where it got to a stage where it greatly improved to a consistent level of making batters play. Zac has solid defence and can play some great shots to contribute the to the scoreboard. I hope I taught Zac the importance of backing up when batting so he could sneak a few extra runs. Well done Zac T on a great season and for looking after my Zac R during games

Rupert Kelly - would have to have been the name I called most during games, just to make sure he was ready. Rupert always gave is best and wanted to improve. Memory of him and Zac off to side practicing bowling together whilst others where in the nets is a credit to him and showing the coach he is wanting and willing to improve. His enthusiasm was infectious which came out by end of year when his bowling improved to take a couple of wickets and his concentration with the bat to defend it and not allow his wickets to be hit. Congrats Rupert, pleasure to coach

Hudson James- quiet achiever of the team. One of our main bowlers who I was confident with to throw the ball to at any time knowing he would trouble the batters, pick up a wicket or slow the runs down. His batting was consistent scoring 35 runs, rarely losing his wicket and he understood the benefit of backing up as non-striker to

build a higher score for his team

Ethan Chan - quiet, listened and did his best for his team. Never once questioned when he could bowl or bat. His batting improved to score over 25 runs for the team was rock solid in defence, took a couple of crucial wickets for the year with the focus next year is to get his arm to brush his ear to release the ball at its highest point. Well-liked by all players and pleasure to coach, well done Ethan on a great 2021/22 season.

Enzo Dome - leader of the pack, confident with bat and ball, scoring over 50 runs and claiming 3 crucial wickets. In one game Enzo won us the game by throwing down the stumps from a tight angle to cause a run out - if it missed the game would have ended in a different result. Great year Enzo and thanks for looking out for all the players helping them improve.

U10 BLACK TIGERS

Another great season and another awesome bowling performance.

Peter Kav and I wanted to ensure that we got our bowling right and be the best bowling team every week, get the balls not only on the pitch which is what we achieved last year but to get them in the right positions to get wickets and starve the opposition for runs. This was achieved and our stats were impressive but unfortunately the great stats didn't always return wins. We finished middle of the pack but we had a great time and our cricket skills greatly improved.

A quick run down on our players.

Theo, best bowler with speed and accuracy, always the consistent player.

Max, best sledger in the team, very consistent bowler and wicket keeper.

Alexis, aka Starcie, left arm bowler with the best action and always on the stumps and always love getting the boys out.

Leo, after a few weeks quality training Leo went from inconsistent to a wicket taker and the best improved player.

Ethan, bowled with frightening speed when focused and when encouraged a gentle giant turned into a wild little man and hit our first and only six of the season.

William, a consistent bowler and batter and electric in the field and some very good wicket keeping.

Xavi, this little man knows how to yap and a great asset to unsettle the opposition, some great bowling, batting and endless energy. Much improved bowler when the right buttons were pressed.

Liam, didn't play half the season due to a broken arm but returned after Christmas and provided us with a great second half of the season.

Archie, our new player this season and found the boundary many times with some very aggressive batting to bad deliveries which the whole can learn from next year. Great first season with bat and ball.

To wrap up... our focus this year was on bowling and fielding and next year we hope to hit more bad balls for runs and protect our wicket from the good deliveries. Well done TEAM for a TOP season and played in great TEAM spirit. Thanks to Peter for all his help and all the parents for playing their part supporting and helping our Team. WE HAD FUN!

U10 Cricket Team Botham 2021/22

The Season that was!

Almost all players from last year returned for a third season with three new players joining the team: James, Yoris, and Thomas A. The team continued to strongly build on their past performance. The novelty of helmets, boxers and hardballs contributed much to the season, and an added incentive was Mark's Saturday sausage sizzles.

The team was much improved on prior year in all aspects, bowling, batting, fielding and especially sledging. Match play improved to nail biting close finishes that even whatsapp could not provide the edge-of-seat home spectators with fast enough updates. Only the rain stopping play could dampen Botham's enthusiasm, and everyone is looking forward to an amazing next season.

The Players

Alexander Stuart **GREAT AIR**

Alex is a very effective member of the team. He delivers results and his focus and speed at running between wickets is second to none.

Emily Short **LASER FOCUS**

Emily is the great communicator and takes control when at the crease. She is calm under pressure and is a solid contributor to the scoreboard, keeping a straight bat at all times.

Jack Hebblewhite **THE ENFORCER**

Jack is our all round player and organiser. Specialising in on-pitch management, he stays on top of the score and sets the chasing strategy.

Jack Higginson
THE SLEDGER

Jack is a legendary leggie who shares his passion with the team. In Jack's second season, he is a great all rounder who has contributed to the team in all areas.

Rafael Williams Veazey
DEAD EYE

Always on target, Raf is a great all rounder with quick fielding, brave batting and on target bowling.

Thomas Maguire
CLASSICAL DRIVER

Jumping between back-to-back matches, Thomas is perfecting his spin bowling and is getting dangerous on taking wickets as well as notching up his own runs.

Zachary Ang
TOP GLOVEMAN

As our most gloved wicket keeper, Zach has kept calm under fire and proved to be a formidable wicketkeeper with his safe pair of hands.

Thomas Aldridge
TEAM ANCHOR

In his first season, he has grown from baseball player to enthusiastic all round cricketer, picked up the game weekly and become a valued part of the team.

James Matthews
FOUR HITTER

A great batsman who is also playing back-to-back matches, James has been in the swing of it as he hits the field.

Yoris Bekker
FIELD COMMANDER

It was Yoris' first season with Botham and he soon made his stamp on the field. A great all rounder, Yoris is also relied upon to keep the team attentive to their on-field responsibilities

The Crew

Huw Higginson
THE DICKIE

Huw kept the game honest in a diplomatic sort of way, and braved almost every match out in the middle! Thanks Huw

Craig Stuart
THE TECHIE

Craig brought us out of the 18 century to the 22nd Century, introducing live scoring which fired up adult spectator passion to the degree where crowd control was almost required

Carolyn Maguire

THE ORGANISER JEDI

Carolyn's organisation and energy supported the team and parents from communications to coaches to kit. It has taken a village to even partially fill her shoes!

Rian Aldridge

THE ORGANISER PADAWAN

Rian ensured all the team members were present and focused. He was the master of the kit bag!

U10 WHITE TIGERS

The Under 10 White's were a new team this season, being pulled together with friends from the local school.

The team was coached by Andrew Ferguson who had two of his children in the team, Daxton & Taylor. At first it seemed that it would not happen, but with the help of his manager Laura Vidmar, players were found and the team was ready to go.

Being new as some players had not participated in a formal competition and that some of the players are under age, they acquitted themselves well during the season.

High performers during the season was Dax Ferguson taking 8 wickets and his best bowling 3/9 and the persons who were scoring did not credit the highest batting scorer for the season with 33 runs. Now this could have been Will Symonds as he was awarded the excellence award for batting.

In any case it was a happy team and have achieved much in their first season.

Awards:

1. Team High Performance Award – Daxton Ferguson
2. Team Spirit of Sportsmanship Award – Charles Holtsbaum
3. Excellence award for Batting – Will Symonds
4. Excellence award for Bowling – Daxton Ferguson
5. Excellence award for Best All-Rounder – Aariv Sharma
6. Excellence award for Best All-Rounder – Luke Obaid
7. Excellence award for Best All-Rounder – Taylor Ferguson
8. Encouragement Award for Most Improved Player – Charles Holtsbaum
9. Encouragement Award for Batting – Ashton Holtsbaum
10. Encouragement Award for All-Rounder – Sam Minors
